00:00:54.826 --> 00:00:57.706

Joshua: Welcome to Geekology 101, my name is Joshua.

00:00:57.846 --> 00:00:58.906

Diego: And I'm Diego.

00:00:59.066 --> 00:01:03.366

Joshua: And we would like to wish a Happy Father's Day to all of the fathers out there.

00:01:03.406 --> 00:01:10.486

Diego: Yes, sir, we hope that you guys got a chance to celebrate with your loved ones and your offsprings, you know?

00:01:10.806 --> 00:01:11.206

Joshua: Yeah.

00:01:11.206 --> 00:01:18.346

Diego: It's a rainy Father's Day here where we're at, so you might hear the rain in the background, but it's a perfect mood to talk about what we're gonna talk about.

00:01:18.366 --> 00:01:31.666

Diego: So what we did here is that we put together a nice long list of all of the father and father-figure relationships that we could think of from the world of fiction.

00:01:31.986 --> 00:01:33.646

Joshua: And we have a lot, like a lot, a lot of that.

00:01:33.666 --> 00:01:35.086

Diego: Yeah, there's a lot of stuff.

00:01:35.106 --> 00:01:36.526

Joshua: Like 53 or something.

00:01:36.566 --> 00:01:37.126

Diego: For sure.

00:01:37.306 --> 00:01:41.586

Diego: And so we broke it down into sort of batches.

00:01:42.306 --> 00:01:47.146

Diego: We're gonna talk about fathers and father figures from the corner of movies.

00:01:47.926 --> 00:01:49.506

Diego: Then we're gonna talk about shows.

00:01:50.166 --> 00:01:52.466

Diego: We're gonna talk specifically about Marvel.

00:01:52.486 --> 00:01:55.406

Diego: Now, this can come from comics, shows, movies, whatever.

00:01:55.426 --> 00:01:57.786

Diego: And then the same thing applies for DC.

00:01:58.406 --> 00:02:02.426

Diego: Then we're gonna talk about anime, wrestling and games.

00:02:02.546 --> 00:02:02.966

Joshua: Yes.

00:02:03.366 --> 00:02:08.066

Diego: So let's go ahead and begin with the first category, which is movies.

00:02:08.826 --> 00:02:18.606

Diego: And from the world of movies, I think there is one father-son relationship that just immediately comes to mind when anybody tries to think of fathers and sons in fiction.

00:02:18.606 --> 00:02:19.026

Joshua: Yes.

00:02:19.326 --> 00:02:23.846

Joshua: And that is, of course, Anakin Skywalker and Luke Skywalker.

00:02:24.306 --> 00:02:25.046

Diego: Absolutely.

00:02:25.086 --> 00:02:26.426

Diego: Darth Vader and Luke.

00:02:27.366 --> 00:02:35.506

Diego: This is, I think, one of the first true plot twists that anybody could have experienced in cinema.

00:02:36.326 --> 00:02:39.706

Diego: And I wish I could have been there, man, like watching Empire Strikes Back.

00:02:41.346 --> 00:02:43.306

Diego: How old do you think I am, son?

00:02:44.886 --> 00:02:46.246

Diego: I'm not, like, ancient.

00:02:48.026 --> 00:02:48.586

Joshua: Oh, wait.

00:02:48.966 --> 00:02:49.646

Diego: This guy.

00:02:50.046 --> 00:02:51.726

Diego: I was born in 83, man.

00:02:52.186 --> 00:02:53.906

Joshua: Oh, yeah, that 80, that was...

00:02:53.926 --> 00:02:54.566

Joshua: This guy.

00:02:54.906 --> 00:02:55.486

Diego: Jesus.

00:02:55.986 --> 00:02:59.046

Diego: Anyway, but yeah, wouldn't that have been awesome?

00:02:59.086 --> 00:02:59.526

Joshua: Yeah.

00:02:59.546 --> 00:03:04.766

Diego: Like, without knowing anything about this, to, like, figure out for the first time, like, oh my God, he's his father.

00:03:05.046 --> 00:03:07.226

Joshua: No, I am your father.

00:03:07.246 --> 00:03:07.646

Diego: Yeah.

00:03:08.906 --> 00:03:10.526

Diego: So, yeah, Darth Vader and Luke.

00:03:10.546 --> 00:03:17.266

Diego: Of course, you know, I mean, this thing has spawned in such a crazy amount of story to tell.

00:03:18.546 --> 00:03:21.706

Diego: And it was later revealed, of course, that also Leia was his daughter.

00:03:22.106 --> 00:03:35.766

Diego: And that identity of, like, Anakin Skywalker and his children has, like, continued over and over to impact the world of Star Wars, you know, down to the very latest, which is the Kenobi show that is going on right now.

00:03:35.786 --> 00:03:38.266

Diego: Like, dad plays on that even more.

00:03:38.606 --> 00:03:38.886

Joshua: Yeah.

00:03:38.906 --> 00:03:39.186

Diego: You know?

00:03:39.386 --> 00:03:48.206

Diego: So, yeah, Darth Vader and Luke definitely one of the top relationships of father and children when it comes to movies.

00:03:48.966 --> 00:03:51.886

Diego: Also from the world of Star Wars, we got other really important ones.

00:03:51.906 --> 00:03:58.266

Diego: We've gotten glimpses of Bail Organa and how he parents Leia in this Kenobi show.

00:03:58.306 --> 00:04:00.146

Diego: Yeah, he seems to be, like, a pretty cool dad.

00:04:00.726 --> 00:04:01.166

Joshua: Yeah.

00:04:01.466 --> 00:04:07.006

Diego: I mean, he promised that she would be loved in Revenge of the Sith, when he says, well, take the girl.

00:04:07.026 --> 00:04:08.286

Diego: We've always wanted a baby girl.

00:04:09.086 --> 00:04:12.326

Diego: He promises, like, she'll be loved with us, and she really is loved.

00:04:12.366 --> 00:04:14.326

Diego: Like, that dude is a sweet dad.

00:04:15.566 --> 00:04:19.526

Diego: Then on the darker side of Star Wars parenting...

00:04:19.686 --> 00:04:20.726

Joshua: Han and Ben.

00:04:20.826 --> 00:04:26.126

Diego: Yeah, you got a pretty sad story there with Han Solo and Ben Solo.

00:04:26.146 --> 00:04:27.946

Diego: This is from the sequel trilogy, of course.

00:04:29.066 --> 00:04:32.906

Diego: Ben Solo, aka Kylo Ren, who ends up killing his father.

00:04:33.146 --> 00:04:35.446

Diego: Spoiler alert, I guess, if you haven't seen that yet.

00:04:35.626 --> 00:04:41.766

Joshua: I don't know why you would be listening to this podcast if you don't know how that whole story ends.

00:04:41.986 --> 00:04:42.966

Diego: Yeah, you should know.

00:04:44.066 --> 00:04:45.866

Diego: Alright, and then you've got...

00:04:46.086 --> 00:04:50.566

Diego: Honestly, this is kind of an honorable mention from the world of Star Wars.

00:04:51.306 --> 00:04:54.686

Diego: And one of the most overlooked ones, which is Uncle Owen and Luke.

00:04:55.246 --> 00:04:58.406

Joshua: Uncle Owen being his Luke's uncle.

00:05:02.626 --> 00:05:10.026

Diego: No, but seriously, this is really one that's overlooked, but this dude took care of Luke for his whole life.

00:05:10.266 --> 00:05:10.706

Diego: Yeah.

00:05:10.926 --> 00:05:15.786

Diego: And he kept him safe during that entire time, so you gotta give it up to Uncle Owen and Beru.

00:05:17.686 --> 00:05:19.646

Diego: He really stepped in as a father figure.

00:05:20.546 --> 00:05:36.766

Diego: Alright, also from the world of movies, now moving away from the whole Star Wars corner of things, we've got, from the world of Rocky, we got a couple of interesting father and father figure relationships here.

00:05:36.786 --> 00:05:37.426

Joshua: Yes, we do.

00:05:37.446 --> 00:05:38.966

Diego: It's more father figure relationships.

00:05:39.446 --> 00:05:43.346

Diego: So first, in the original Rocky movies, you have Mick.

00:05:43.366 --> 00:05:44.546

Joshua: Mick and Rocky.

00:05:44.606 --> 00:05:48.586

Diego: Yeah, and Mick really does step in and kind of become this father figure to Rocky.

00:05:48.686 --> 00:05:56.006

Diego: Older, much older than him, you know, he's kind of like very tough, old, father, grandfather-ish kind of relationship.

00:05:56.026 --> 00:05:56.946

Joshua: Hey, Rocky, get in the car.

00:05:57.306 --> 00:05:58.426

Joshua: That was, that was, no.

00:05:58.626 --> 00:06:01.666

Diego: Yeah, you bum, you're a bum, you're a bum.

00:06:01.926 --> 00:06:03.646

Joshua: Rocky, get in the car, man.

00:06:03.666 --> 00:06:05.006

Joshua: We got to go to your match.

00:06:05.566 --> 00:06:07.346

Diego: Are you sure he said that at some point?

00:06:07.706 --> 00:06:11.466

Joshua: I'm just saying stuff that I think that he might have said in his lifetime.

00:06:11.626 --> 00:06:13.246

Diego: You could just watch the movies.

00:06:13.506 --> 00:06:15.686

Diego: That's also like something you could do, you know?

00:06:16.326 --> 00:06:16.826

Diego: I'm just saying.

00:06:16.846 --> 00:06:17.526

Joshua: I watched it.

00:06:18.146 --> 00:06:24.546

Diego: Anyway, but yeah, Mick and Rocky, you know, they built kind of like a father figure and, you know, father figure, father child relationship.

00:06:25.466 --> 00:06:37.486

Diego: But definitely in the sequel-ish movies to Rocky, the Creed movies, we see him, we see Rocky become that Mick figure.

00:06:37.586 --> 00:06:39.646

Joshua: Yeah, to Adonis Creed.

00:06:39.666 --> 00:06:40.626

Diego: Heck yeah, man.

00:06:40.726 --> 00:06:42.946

Diego: And that is such a special thing, man.

00:06:42.966 --> 00:06:43.666

Diego: Like he really...

00:06:44.026 --> 00:06:49.546

Diego: I know that Adonis calls him uncle, like uncle, but he really does become a father figure to him, man.

00:06:49.566 --> 00:06:49.746

Joshua: Yeah.

00:06:49.806 --> 00:07:00.886

Diego: You know, and Adonis respects him and loves him, and yeah, it's complicated, just like a lot of father-son relationships, but whatever, you know, it is what it is, and Rocky's there for him unconditionally.

00:07:01.026 --> 00:07:07.526

Diego: So yeah, Rocky and Adonis, that's one of my favorite father figure relationships in fiction, for sure.

00:07:08.226 --> 00:07:11.346

Joshua: So the next one is actually from the world of Star Trek.

00:07:11.526 --> 00:07:11.766

Diego: Yeah.

00:07:11.786 --> 00:07:14.806

Joshua: We have Kirk Senior and Captain Kirk.

00:07:15.526 --> 00:07:15.866

Diego: Yeah.

00:07:16.346 --> 00:07:23.186

Diego: So this one in particular, I'm not, I can't say that I've watched like everything Star Trek because I haven't.

00:07:23.206 --> 00:07:26.806

Diego: But for sure, from the JJ.

00:07:26.846 --> 00:07:34.086

Diego: Abrams remakes, that is basically what kicks off the entire movie.

00:07:34.806 --> 00:07:36.266

Diego: And this is a really interesting one.

00:07:36.286 --> 00:07:47.286

Diego: This kind of begins a little bit of a category of father-son relationships that repeats itself throughout our list in some instances, where the father was not there with the son.

00:07:48.166 --> 00:07:50.306

Diego: Like the father doesn't actually raise that son.

00:07:50.326 --> 00:07:51.926

Diego: The son grows up without the father.

00:07:51.926 --> 00:07:57.486

Diego: But still, in some way, the legacy of the father impacts the son in a strong way.

00:07:58.326 --> 00:08:03.366

Diego: So in this one, like Kirk Sr., he ends up sacrificing his life to save his entire crew.

00:08:04.026 --> 00:08:09.746

Diego: And then that becomes kind of like a legacy to live up to for Captain Kirk.

00:08:11.026 --> 00:08:18.846

Diego: And he runs away from it for a very long time, and then eventually he accepts the call, you know, to like step up and be the kind of leader that his father was.

00:08:18.866 --> 00:08:21.346

Diego: And he does, you know?

00:08:21.766 --> 00:08:24.846

Diego: So that one was like really touching to me in particular.

00:08:25.326 --> 00:08:27.686

Diego: Now his next one is also cool.

00:08:27.866 --> 00:08:29.286

Diego: It's that same kind of thing.

00:08:29.306 --> 00:08:30.166

Joshua: It's the same kind of thing.

00:08:30.186 --> 00:08:34.686

Diego: Yeah, but it's especially cool because you just entered this world very recently.

00:08:34.966 --> 00:08:38.266

Joshua: I like, I really like the movie.

00:08:38.326 --> 00:08:41.186

Joshua: It's Top Gun Maverick, Goose and Rooster.

00:08:41.406 --> 00:08:41.966

Diego: Heck yeah.

00:08:42.006 --> 00:08:43.106

Joshua: I really like Goose.

00:08:43.126 --> 00:08:44.786

Joshua: I feel like he's a really cool character.

00:08:44.846 --> 00:08:45.246

Diego: Yeah.

00:08:45.386 --> 00:08:52.486

Diego: And so I have to admit, for some reason, I had never watched the original Top Gun movie until like a month ago.

00:08:53.686 --> 00:08:55.406

Diego: And I don't know why.

00:08:55.426 --> 00:09:07.366

Diego: It just seemed like one of those 80s movies that was, I thought that it was all just about, you know, like 80s kind of romance and the 80s type of, you know, sort of action.

00:09:07.386 --> 00:09:08.506

Joshua: You thought it was that kind of thing?

00:09:08.706 --> 00:09:09.306

Diego: Yeah.

00:09:09.406 --> 00:09:12.886

Diego: It just never struck me as something that I would get into.

00:09:13.546 --> 00:09:17.686

Diego: And then I decided, I'm like, you know what, this Top Gun Maverick thing, it looks good.

00:09:17.706 --> 00:09:18.706

Diego: The trailer looked good.

00:09:19.066 --> 00:09:24.966

Diego: So I was like, let me watch this movie in preparation for Top Gun Maverick, you know, so I can know what the heck this world is about.

00:09:25.586 --> 00:09:33.006

Diego: And then I go and I watch this movie and dude, it could, it was definitely an 80s movie, but man, the original, like it was good.

00:09:33.126 --> 00:09:36.706

Joshua: I like how they recreated the whole like volleyball scene, like the football.

00:09:36.706 --> 00:09:37.326

Diego: Oh, yeah.

00:09:38.646 --> 00:09:41.146

Diego: The most, but they gave it more meaning in the second one.

00:09:41.266 --> 00:09:42.546

Joshua: Yeah, they really did.

00:09:44.806 --> 00:09:46.186

Diego: And so I loved the movie so much.

00:09:46.206 --> 00:09:51.426

Diego: And then when I went to watch Top Gun Maverick, I was like, yeah, bro, this is, you know, what a freaking movie.

00:09:51.746 --> 00:09:57.406

Diego: Honestly, the best action movie, non-hero action movie that I've seen in years.

00:09:58.446 --> 00:10:06.206

Diego: And then you texted me and you were like, hey, you know, mom wants to take me to, like, go see this movie, and I'm not too excited about it.

00:10:06.226 --> 00:10:08.906

Diego: I don't think that's the kind of movie that I'll get into, but what happened?

00:10:09.286 --> 00:10:09.966

Joshua: I loved it.

00:10:10.786 --> 00:10:11.726

Diego: What did you like about it?

00:10:12.166 --> 00:10:14.386

Joshua: I just like the whole action.

00:10:14.406 --> 00:10:16.046

Joshua: I just like the feel of the movie.

00:10:16.066 --> 00:10:17.026

Joshua: I like the vibe of it.

00:10:17.066 --> 00:10:18.406

Diego: Yeah, so good, man.

00:10:18.426 --> 00:10:19.006

Diego: What a good movie.

00:10:19.766 --> 00:10:23.106

Diego: We'll talk about it more in detail in the next News and Reviews episode.

00:10:24.466 --> 00:10:28.106

Diego: But this whole Goose and Rooster thing is a very important part of this movie.

00:10:28.166 --> 00:10:28.846

Joshua: Yeah.

00:10:29.386 --> 00:10:36.086

Diego: And really, we got introduced to Rooster before he was known as Rooster as a little kid in the first movie.

00:10:37.526 --> 00:10:44.046

Diego: Yeah, we get to see him as a little kid in the first movie, but you never think that 30 years later...

00:10:44.166 --> 00:10:48.046

Joshua: Wait, who is Goose and who is Rooster?

00:10:48.726 --> 00:10:49.246

Diego: What do you mean?

00:10:50.806 --> 00:10:53.766

Diego: Goose was the partner of...

00:10:53.826 --> 00:10:55.526

Joshua: Goose was the one in the first movie?

00:10:55.546 --> 00:10:55.826

Diego: Yeah.

00:10:58.546 --> 00:10:59.686

Diego: And he's the one that died.

00:10:59.706 --> 00:11:01.146

Joshua: Oh, yeah, yeah, yeah.

00:11:01.166 --> 00:11:02.286

Diego: Yeah.

00:11:02.306 --> 00:11:05.426

Joshua: So I met Rooster before when I said I really liked Goose, I met Rooster.

00:11:05.446 --> 00:11:07.626

Diego: Oh, okay, gotcha.

00:11:07.886 --> 00:11:10.106

Diego: But yeah, man, and so like this just plays out so well.

00:11:10.126 --> 00:11:19.606

Diego: Also, Miles Teller, who plays Rooster, dude, he has like a spitting image of the guy who played Root and White Goose.

00:11:19.626 --> 00:11:20.866

Diego: What a great casting right there.

00:11:20.886 --> 00:11:25.026

Joshua: He wore the exact same thing, like down to the sunglasses.

00:11:25.046 --> 00:11:26.306

Diego: Yeah, and the mustache.

00:11:26.466 --> 00:11:26.926

Joshua: Yeah.

00:11:27.166 --> 00:11:28.506

Diego: Yeah, very cool, man.

00:11:28.526 --> 00:11:30.866

Diego: So yeah, that's a very interesting father-son relationship.

00:11:30.886 --> 00:11:33.186

Diego: Again, like Captain Kirk Sr.

00:11:33.206 --> 00:11:36.586

Diego: and Captain Kirk Jr., they didn't grow up together.

00:11:36.806 --> 00:11:37.486

Diego: You know what I mean?

00:11:37.506 --> 00:11:41.826

Diego: They didn't spend most of their life together, and yet somehow the legacy of the father impacts the child.

00:11:41.846 --> 00:11:42.826

Diego: And it's the same with Goose.

00:11:42.886 --> 00:11:45.746

Diego: Goose's legacy just follows Rooster.

00:11:46.366 --> 00:11:51.746

Diego: And in moments where Maverick tells him your father would be so proud, it's like, oh, come on.

00:11:51.746 --> 00:11:52.626

Diego: Tears to the eyes.

00:11:53.086 --> 00:11:56.326

Diego: Anyway, let's move away from movies, and let's hop over to shows.

00:11:56.486 --> 00:11:56.906

Joshua: Shows.

00:11:56.926 --> 00:11:57.766

Joshua: There's a lot of shows.

00:11:57.966 --> 00:11:59.186

Diego: There is a lot of shows.

00:12:00.166 --> 00:12:08.066

Diego: So when it comes to shows, we have also from various corners, some are cartoon shows, some are live-action shows.

00:12:08.706 --> 00:12:14.106

Joshua: Some are really dark and disturbing and bloody Amazon Prime Superhero shows.

00:12:14.126 --> 00:12:15.346

Diego: Just horrible.

00:12:16.806 --> 00:12:18.226

Diego: The first one, though, is great.

00:12:19.366 --> 00:12:23.326

Diego: The first one is Mando and Little Baby Grogu.

00:12:23.406 --> 00:12:24.386

Joshua: Little Baby Grogu.

00:12:24.406 --> 00:12:25.346

Diego: Little Baby Grogu.

00:12:25.566 --> 00:12:26.246

Joshua: Little Baby.

00:12:26.266 --> 00:12:27.466

Diego: I mean, come on, man.

00:12:28.006 --> 00:12:30.526

Diego: This one stole our hearts throughout the pandemic.

00:12:31.606 --> 00:12:32.746

Joshua: The soup?

00:12:32.986 --> 00:12:34.206

Diego: Yeah, just sip it as soup.

00:12:34.226 --> 00:12:34.686

Joshua: The soup.

00:12:35.126 --> 00:12:38.046

Diego: I would say that he held us down throughout the pandemic.

00:12:38.626 --> 00:12:40.706

Diego: He made it possible for us to get through this.

00:12:42.026 --> 00:12:43.126

Diego: I love Baby Grogu.

00:12:44.706 --> 00:12:46.626

Diego: Anyway, and of course, the Mando story, right?

00:12:46.646 --> 00:12:50.266

Diego: Like where Mando starts off as like this tough, Yeah, him too.

00:12:50.286 --> 00:12:53.466

Diego: very silent bounty hunter.

00:12:53.786 --> 00:12:55.406

Diego: And then he just softens up.

00:12:55.646 --> 00:12:56.046

Joshua: Yeah.

00:12:56.066 --> 00:12:59.526

Diego: Now he's a big softy, showing his face to droids and stuff.

00:13:00.526 --> 00:13:01.946

Diego: Come on, and to Grogu.

00:13:02.926 --> 00:13:03.706

Diego: So sweet, man.

00:13:04.566 --> 00:13:07.766

Diego: So yeah, Mando and Grogu, awesome father figure.

00:13:07.786 --> 00:13:10.366

Diego: Like he's basically becomes kind of like an adoptive dad.

00:13:10.526 --> 00:13:10.946

Joshua: Yeah.

00:13:10.966 --> 00:13:13.486

Diego: To Grogu, even though Grogu is probably like older than him.

00:13:13.966 --> 00:13:14.966

Joshua: He is older.

00:13:15.486 --> 00:13:16.046

Joshua: He is.

00:13:16.806 --> 00:13:17.906

Joshua: I'm pretty sure I looked it up.

00:13:18.006 --> 00:13:22.506

Joshua: I'm pretty sure Mando is like 40 years old.

00:13:22.606 --> 00:13:22.946

Joshua: Yeah.

00:13:23.306 --> 00:13:25.186

Joshua: And then Grogu is like 10 years older.

00:13:26.446 --> 00:13:27.006

Diego: So great.

00:13:28.066 --> 00:13:29.946

Diego: Anyway, all right, let's go to something darker.

00:13:29.966 --> 00:13:33.526

Joshua: Next up, we have the most disturbing Amazon Prime show that I've ever heard of.

00:13:33.826 --> 00:13:37.046

Diego: Oh, trust me, you've not seen anything if you haven't seen The Boys.

00:13:37.726 --> 00:13:42.206

Diego: Omni Man and Mark, aka Invincible, from The Invincible Show.

00:13:42.226 --> 00:13:42.726

Joshua: Yeah.

00:13:42.726 --> 00:13:49.526

Diego: So Invincible, oh man, this comes from the mind of, what's one boy's name who created The Walking Dead?

00:13:49.546 --> 00:13:52.046

Joshua: Steven Spielberg?

00:13:52.126 --> 00:13:54.086

Diego: Yeah, definitely not Steven Spielberg.

00:13:55.106 --> 00:14:06.586

Diego: But from him, and he created this as a comic first, and then he got adapted as a show, and the whole story really revolves around the father and son relationship, is this omniman character, who is basically Superman.

00:14:07.486 --> 00:14:12.606

Diego: And it's one of these examples of, what if Superman is not a good guy?

00:14:13.446 --> 00:14:17.186

Diego: What if he were a bad guy, wrapped around the good guy persona?

00:14:17.366 --> 00:14:18.786

Joshua: Yeah, this actually has to do with it.

00:14:18.806 --> 00:14:37.206

Joshua: I saw this ASMR of Invincible, of the show, and when they were mixing up the powder for the wheat of the loaf, they turned it into gunshots in Invincible.

00:14:38.126 --> 00:14:46.506

Joshua: And then when they were mixing it together, that was Omni Man beating the crap out of his son.

00:14:46.546 --> 00:14:47.206

Diego: Oh wow.

00:14:49.386 --> 00:14:50.326

Diego: That's dark.

00:14:50.906 --> 00:14:53.706

Joshua: So let's just say they don't have a good relationship.

00:14:54.146 --> 00:14:55.046

Diego: Yeah, no, no, no.

00:14:55.106 --> 00:15:00.206

Diego: Well, at first it seems like they do when the show begins, and then little by little Omni Man shows his true colors.

00:15:00.806 --> 00:15:03.766

Diego: And man, do things turn dark.

00:15:06.106 --> 00:15:24.526

Diego: But still, this guy goes from being the son of the most revered hero in the world, basically, and feeling like he has that legacy to carry on, to now trying to be like, how the heck do I make sure I don't turn out like my father?

00:15:24.826 --> 00:15:25.166

Joshua: Yeah.

00:15:25.826 --> 00:15:26.906

Diego: Crazy, crazy show.

00:15:26.926 --> 00:15:27.506

Diego: Very good show.

00:15:28.046 --> 00:15:30.806

Diego: And definitely a crazy father-son relationship.

00:15:31.746 --> 00:15:32.506

Diego: The next one.

00:15:32.526 --> 00:15:35.106

Diego: Hopper and the 11th.

00:15:35.306 --> 00:15:36.286

Diego: Heck yeah, man.

00:15:36.986 --> 00:15:41.906

Diego: And this is the father figure and child reunion that's like in the making, right?

00:15:41.926 --> 00:15:42.146

Joshua: Yeah.

00:15:42.406 --> 00:15:44.006

Diego: We're waiting for this to happen.

00:15:44.166 --> 00:15:49.406

Joshua: It's going to happen in Volume 2 of Stranger Things Season 4.

00:15:49.546 --> 00:15:55.606

Diego: Yeah, and they've really, they've kept these two characters apart, literally like continents apart.

00:15:56.466 --> 00:15:58.666

Diego: So it's going to be pretty special when they do reunite.

00:15:58.686 --> 00:16:00.066

Diego: Plus, you've got 11.

00:16:00.086 --> 00:16:05.726

Diego: If you haven't listened to our review of Stranger Things Season 4, Volume 1, go listen to it.

00:16:05.946 --> 00:16:06.986

Diego: All of our thoughts are there.

00:16:07.006 --> 00:16:13.426

Diego: But one of the things that we talked about is that 11 is like really, really detached right now from where Hopper is.

00:16:13.626 --> 00:16:16.826

Diego: Hopper is like, you know, just straight up trying to survive in Russia.

00:16:17.346 --> 00:16:24.746

Diego: And 11, in the meantime, she's going through her whole thing with Papa, you know, that dude who was in that program that gave her her abilities.

00:16:25.526 --> 00:16:40.266

Diego: And it's kind of like she's getting this horrible father figure experience, having to relive all this stuff with this Papa guy, that it makes me think that when they reunite, it's going to be that much more special for her.

00:16:40.386 --> 00:16:40.806

Joshua: Yeah.

00:16:40.826 --> 00:16:41.046

Diego: You know?

00:16:42.406 --> 00:16:44.706

Diego: But anyway, yeah, Hopper and 11.

00:16:45.066 --> 00:16:45.586

Diego: Next one.

00:16:46.226 --> 00:16:51.466

Joshua: The next relationship is a really classic and really dope one.

00:16:51.986 --> 00:16:55.506

Joshua: It is Splinter and TMNT.

00:16:55.646 --> 00:16:56.606

Diego: Heck yeah, man.

00:16:57.106 --> 00:17:11.166

Diego: This one's pretty interesting because I don't think when you brought this one up as we were making the list, it kind of dawned on me that I don't think that there's any other show that's not like, you know, comedy like The Simpsons or something.

00:17:11.786 --> 00:17:24.646

Diego: There's no other show that has this relationship of like, father or father figure and child, and it continues throughout the entire thing, like it never stops being important.

00:17:25.126 --> 00:17:25.826

Diego: You know what I mean?

00:17:26.626 --> 00:17:35.026

Diego: And that relationship is constantly being woven into storylines and stuff, and it just becomes, it's an ongoing part of it, you know?

00:17:36.346 --> 00:17:39.566

Diego: I can't think of anything else like that, to be honest.

00:17:40.786 --> 00:17:46.766

Diego: Maybe with the exception of Dragon Ball, Dragon Ball has the father-son thing coming back once in a while.

00:17:47.626 --> 00:17:50.666

Diego: But yeah, Splinter and the Turtles, man, so awesome.

00:17:50.686 --> 00:17:56.206

Diego: And it's awesome also because he is their sensei, but he's also their father, and they call him father, you know?

00:17:56.906 --> 00:17:57.806

Diego: Any other thoughts on that?

00:18:00.166 --> 00:18:01.446

Joshua: Mikey is underrated.

00:18:02.426 --> 00:18:04.146

Joshua: Leonardo is my second favorite.

00:18:05.526 --> 00:18:06.926

Joshua: Raph is my third favorite.

00:18:07.406 --> 00:18:08.586

Joshua: I don't really like Donny.

00:18:08.926 --> 00:18:12.626

Joshua: I mean, like, I love all of them, but like Donny is the worst of the best.

00:18:13.086 --> 00:18:14.146

Diego: Wow.

00:18:14.306 --> 00:18:15.306

Joshua: He's the worst of the best.

00:18:16.166 --> 00:18:16.666

Diego: Wow.

00:18:17.166 --> 00:18:18.126

Diego: That's crazy.

00:18:18.186 --> 00:18:26.666

Diego: Okay, let's move on to the next one, which is from the world of Masters of the Universe, Revelation.

00:18:26.846 --> 00:18:27.466

Joshua: Man of War.

00:18:27.486 --> 00:18:29.546

Diego: And really Masters of the Universe overall, I guess.

00:18:29.626 --> 00:18:29.966

Joshua: Yeah.

00:18:30.346 --> 00:18:31.046

Diego: Man of War.

00:18:31.626 --> 00:18:33.026

Joshua: We still don't know his real name yet.

00:18:33.046 --> 00:18:33.946

Joshua: We haven't remembered.

00:18:33.966 --> 00:18:34.546

Diego: Antila.

00:18:34.646 --> 00:18:34.966

Joshua: Yeah.

00:18:35.886 --> 00:18:36.346

Diego: That's true.

00:18:36.406 --> 00:18:36.726

Diego: No.

00:18:36.926 --> 00:18:37.326

Diego: Dugan?

00:18:37.346 --> 00:18:37.746

Diego: Duncan?

00:18:37.746 --> 00:18:38.146

Diego: Duncan.

00:18:38.206 --> 00:18:38.706

Joshua: Duncan.

00:18:38.726 --> 00:18:39.966

Diego: Yeah.

00:18:40.126 --> 00:18:41.046

Diego: Man of War and Antila.

00:18:41.066 --> 00:18:47.166

Diego: This one's interesting, of course, because it is kind of another example of a distant relationship.

00:18:47.406 --> 00:18:47.826

Joshua: Yeah.

00:18:48.466 --> 00:18:49.666

Joshua: But it's still important.

00:18:49.806 --> 00:18:50.186

Diego: It is.

00:18:50.206 --> 00:18:50.506

Diego: Yeah.

00:18:50.526 --> 00:18:50.806

Diego: Yeah.

00:18:50.826 --> 00:18:52.026

Diego: And it becomes important.

00:18:52.486 --> 00:18:56.326

Diego: Also, like, you can see the genetics at play here.

00:18:57.086 --> 00:19:04.906

Diego: Whereas, like, here's Man of War, who especially in Masters of the Universe, Revelations, you see him as a badass.

00:19:05.426 --> 00:19:05.826

Joshua: Yeah.

00:19:06.766 --> 00:19:07.746

Diego: Like, what do they call him?

00:19:07.766 --> 00:19:09.526

Diego: The most dangerous man in Eternia?

00:19:09.766 --> 00:19:11.586

Joshua: Yeah, that one episode.

00:19:11.766 --> 00:19:14.526

Diego: And, man, they show him, like, just kicking butt, bro.

00:19:14.546 --> 00:19:16.086

Diego: He's so cool in that show.

00:19:16.686 --> 00:19:22.006

Diego: And you see how Tila, like, just, you know, inherits that.

00:19:22.306 --> 00:19:22.726

Joshua: Yeah.

00:19:23.146 --> 00:19:30.506

Diego: Especially in that show, because here she, like, lets go of, like, the prettiness and becomes, you know, just kind of like a tough, you know, person.

00:19:30.526 --> 00:19:30.866

Joshua: Yeah.

00:19:31.086 --> 00:19:31.546

Diego: Very cool.

00:19:32.586 --> 00:19:33.786

Diego: So yeah, I like it.

00:19:33.806 --> 00:19:39.366

Diego: Again, there's problems, there's issues that they got to fix, but I think it's a worthy one.

00:19:39.406 --> 00:19:40.446

Joshua: Good job, Kevin Smith.

00:19:40.726 --> 00:19:41.626

Diego: Yeah, Kevin Smith.

00:19:41.806 --> 00:19:42.826

Diego: They're working on season two.

00:19:43.006 --> 00:19:43.486

Joshua: They are?

00:19:43.526 --> 00:19:43.866

Diego: They are.

00:19:45.666 --> 00:19:48.066

Diego: Next one, we mentioned, The Simpsons.

00:19:49.146 --> 00:19:52.986

Diego: Can't make a father and children list without including...

00:19:53.526 --> 00:20:00.246

Joshua: The, the, the actually, like, abusive relationship that is Homer Simpson and his children.

00:20:00.966 --> 00:20:01.366

Diego: Yeah.

00:20:01.466 --> 00:20:03.926

Diego: Well, he doesn't abuse Lisa and Maggie.

00:20:04.466 --> 00:20:06.166

Diego: It's just Bart, but he had it coming.

00:20:07.546 --> 00:20:08.486

Diego: Many times over.

00:20:09.346 --> 00:20:10.106

Joshua: Well, yeah.

00:20:10.346 --> 00:20:11.126

Diego: Listen, man.

00:20:11.766 --> 00:20:13.966

Joshua: He destroyed his whole town with, like, 15 megatons.

00:20:13.986 --> 00:20:17.966

Diego: If you behaved like Bart, I'd have to, like, choke you like that too, weird.

00:20:18.546 --> 00:20:20.286

Diego: Your tongue is, like, wiggling out of your mouth.

00:20:23.246 --> 00:20:25.586

Diego: Anyway, yeah, Homer Simpson, you, you, you, come on, man.

00:20:25.966 --> 00:20:27.786

Diego: This guy wrecks, wrecks an entire...

00:20:27.806 --> 00:20:29.086

Joshua: I don't think you can make that joke.

00:20:29.346 --> 00:20:31.086

Joshua: It's 2022.

00:20:31.686 --> 00:20:32.146

Diego: I can't?

00:20:32.146 --> 00:20:32.286

Diego: No?

00:20:32.466 --> 00:20:34.026

Joshua: I don't think you can make that joke.

00:20:34.026 --> 00:20:37.246

Diego: Hey, listen, if The Simpsons is still going, and they can make that joke, I can make that joke.

00:20:37.266 --> 00:20:41.906

Diego: So, speaking of terrible, horrible jokes and really bad fathers, Peter Griffin...

00:20:42.046 --> 00:20:42.546

Joshua: Yeah.

00:20:42.566 --> 00:20:44.366

Diego: Gotta mention him.

00:20:44.426 --> 00:20:45.686

Diego: Peter Griffin from...

00:20:47.246 --> 00:20:47.746

Joshua: Family Guy.

00:20:47.886 --> 00:20:48.726

Diego: Family Guy, thank you.

00:20:49.466 --> 00:20:50.186

Joshua: I like Brian.

00:20:50.206 --> 00:20:50.926

Joshua: I like the dog.

00:20:51.286 --> 00:20:51.926

Diego: He's, like...

00:20:53.566 --> 00:20:54.066

Diego: I don't know.

00:20:54.486 --> 00:20:54.906

Diego: He's, like...

00:20:55.066 --> 00:20:57.946

Diego: I was gonna say the Maggie one, but he's probably more like Lisa?

00:20:59.046 --> 00:20:59.546

Joshua: Who is?

00:20:59.566 --> 00:21:00.006

Diego: Brian.

00:21:00.886 --> 00:21:01.446

Joshua: Brian?

00:21:01.886 --> 00:21:05.286

Diego: He's, like, the more reasonable one in that entire family, pretty much.

00:21:05.306 --> 00:21:06.446

Joshua: Yeah, I like Brian.

00:21:06.466 --> 00:21:07.326

Diego: Yeah, Brian's great.

00:21:08.686 --> 00:21:12.966

Diego: Next, also from animation, so we got two different relationships here, from Rick and Morty.

00:21:13.706 --> 00:21:14.806

Diego: You got Rick and Morty.

00:21:14.826 --> 00:21:21.786

Diego: And, like, undoubtedly, like, Rick's dad, you know, might as well not be his dad.

00:21:21.906 --> 00:21:23.186

Diego: Because Rick just...

00:21:23.786 --> 00:21:24.666

Diego: I'm sorry, Morty's dad.

00:21:24.746 --> 00:21:30.486

Diego: Because Rick just completely takes over as a parental figure for Morty, and not in a great way.

00:21:30.666 --> 00:21:33.906

Joshua: Morty, we got to go kill ourselves in another dimension, Morty.

00:21:34.166 --> 00:21:34.886

Joshua: Come on, Morty.

00:21:34.926 --> 00:21:38.826

Diego: Yeah, those kinds of wholesome, you know, grandfather and grandson.

00:21:38.846 --> 00:21:40.606

Joshua: That show's great for kids, by the way.

00:21:40.666 --> 00:21:41.566

Joshua: Just amazing.

00:21:41.586 --> 00:21:42.746

Diego: Raise your kids based on that.

00:21:42.766 --> 00:21:43.326

Diego: It's really great.

00:21:44.426 --> 00:21:47.826

Diego: Rick and Beth, his actual daughter, his daughter...

00:21:47.846 --> 00:21:52.126

Joshua: The one who was like, oh, my God, what did you do, Rick?

00:21:52.146 --> 00:21:54.066

Joshua: You turned yourself into a pickle?

00:21:54.146 --> 00:21:54.926

Diego: Not just that.

00:21:54.946 --> 00:22:01.086

Diego: He cloned her when she was little or something, and then he forgot which one was a clone and which one was a real one.

00:22:01.106 --> 00:22:13.746

Diego: And then he exiled one of them to outer space, and she became some incredible space pirate, and then she eventually came back, and her and her clone, or whoever's the clone in the original, they ganged up under that.

00:22:14.446 --> 00:22:19.046

Diego: It's a really complicated family relationship, and it's all thanks to the patriarch, Rick.

00:22:19.566 --> 00:22:21.246

Joshua: Yeah, let's go.

00:22:21.266 --> 00:22:22.366

Diego: I hope to be like him one day.

00:22:22.386 --> 00:22:23.826

Joshua: To infinity and beyond.

00:22:24.026 --> 00:22:26.206

Diego: Oh, right, that's weird.

00:22:26.206 --> 00:22:29.206

Diego: Next, from the world of Arkane.

00:22:29.686 --> 00:22:34.246

Diego: Talking about shows, man, this is one of the most recent ones that just stole our hearts and imaginations.

00:22:34.266 --> 00:22:35.906

Joshua: Yeah, well, I mean, I watched it.

00:22:36.266 --> 00:22:38.926

Joshua: I watched it earlier when it came out, and you just watched it like...

00:22:38.946 --> 00:22:40.106

Diego: Are you gonna only boast about that forever?

00:22:40.126 --> 00:22:41.486

Joshua: Like seven months after.

00:22:41.506 --> 00:22:42.626

Diego: You're gonna boast about it forever?

00:22:42.646 --> 00:22:43.346

Diego: I said I'm sorry.

00:22:43.366 --> 00:22:45.466

Diego: I told you, I said you were right.

00:22:45.486 --> 00:22:46.166

Diego: I admitted it.

00:22:47.066 --> 00:22:48.606

Diego: Anyway, Vander and Vi.

00:22:50.466 --> 00:22:52.886

Diego: So Vander and Vi, great relationship, you know.

00:22:53.426 --> 00:22:55.406

Diego: Dude hangs up his gloves.

00:22:55.926 --> 00:22:56.366

Joshua: Yeah.

00:22:56.726 --> 00:23:03.246

Diego: And he lets go of the fighting life to become basically this protector and father figure.

00:23:03.346 --> 00:23:03.746

Joshua: Yeah.

00:23:04.326 --> 00:23:12.086

Diego: Not like a very wholesome father figure because ultimately they are like stealing and stuff, and he trains them to be like this crew of misfits.

00:23:13.026 --> 00:23:20.566

Diego: But still, he clearly has a very special relationship with Vi, and he is there for her, like at a father level.

00:23:20.586 --> 00:23:28.006

Diego: He's very protective of her, wants her to learn to kind of, you know, survive.

00:23:28.206 --> 00:23:28.586

Joshua: Yeah.

00:23:28.606 --> 00:23:31.526

Diego: In the crazy world that is the, I was about to say the upside down.

00:23:33.686 --> 00:23:35.206

Diego: Anyway, go ahead, next one.

00:23:35.986 --> 00:23:39.246

Joshua: The next relationship is Silco and Jinx.

00:23:39.266 --> 00:23:41.166

Diego: What you got to say about this?

00:23:41.986 --> 00:23:43.626

Joshua: It's a very interesting relationship.

00:23:43.786 --> 00:23:44.186

Diego: It is.

00:23:44.306 --> 00:23:51.126

Joshua: I feel like it's the kind of, like it is, you said this to me before, it's kind of like the opposite of Vander and Vi.

00:23:51.806 --> 00:23:56.046

Joshua: Like the other one, he's like teaching her to survive and like how to fend for herself.

00:23:56.566 --> 00:24:07.626

Joshua: But in this relationship, Silco is kind of giving Jinx more ways, kind of like more strategies and how to cause more chaos.

00:24:11.586 --> 00:24:14.586

Joshua: He's like kind of making her do his stuff.

00:24:14.826 --> 00:24:16.126

Diego: Yeah, his bidding, right.

00:24:17.146 --> 00:24:32.286

Diego: But it's interesting though, because when I was watching the show, I thought like, oh man, in that scene when Vander is dying supposedly, and Silco kind of looks at Vander and then looks at Powder, and he realizes like, it's up to me now.

00:24:32.326 --> 00:24:37.046

Diego: That's clearly when in his mind and in his heart, he takes on the challenge of like taking her in.

00:24:37.646 --> 00:24:42.586

Diego: And I thought to myself, it was like, oh man, so now he's going to go and turn her into a weapon, which he did.

00:24:44.086 --> 00:24:47.186

Diego: But there is heart to it.

00:24:48.126 --> 00:24:49.266

Diego: There's feeling to it.

00:24:49.286 --> 00:24:55.966

Diego: And you could tell especially in the last third of that series, of the season one, you can tell that there is love there.

00:24:56.226 --> 00:25:03.226

Diego: Within that whole dark world that he operates in, having turned her into a weapon, there's a sense of love and like he cares for her.

00:25:03.326 --> 00:25:06.686

Joshua: Yeah, I saw this thing, which is related.

00:25:06.966 --> 00:25:20.046

Joshua: It was like, it was like Jinx was saying, if I had a penny for every time that I've accidentally killed my adoptive father, I would have two pennies.

00:25:20.886 --> 00:25:23.326

Joshua: Which isn't a lot, but it's weird that it happened twice.

00:25:23.706 --> 00:25:25.326

Diego: Yeah, that's a good point.

00:25:25.346 --> 00:25:27.066

Diego: Oh, that's dark.

00:25:29.086 --> 00:25:29.686

Diego: Very dark.

00:25:29.706 --> 00:25:32.466

Diego: All right, last stop before we take a break.

00:25:32.866 --> 00:25:37.966

Diego: Let's talk about some DC parenting father figures or fathers.

00:25:38.346 --> 00:25:38.646

Joshua: Yeah.

00:25:39.406 --> 00:25:42.246

Diego: The first one comes from the corner of the Bat family.

00:25:42.406 --> 00:25:42.786

Joshua: Yes.

00:25:44.126 --> 00:25:56.326

Diego: And honorable mentions, you could say that there is, granted, I haven't really like read a lot of the comics from where Batman has Tim Drake as his Robin.

00:25:56.866 --> 00:25:57.686

Joshua: I feel bad for Tim Drake.

00:25:57.706 --> 00:26:06.066

Diego: I'm not exactly sure what his thing is, because I really started, when I picked up the DC world, he was already like the leader of the Teen Titans.

00:26:06.546 --> 00:26:07.146

Joshua: Tim Drake?

00:26:07.366 --> 00:26:09.846

Diego: Yeah, he was kind of like the de facto leader of the Teen Titans.

00:26:10.846 --> 00:26:11.266

Diego: Yeah.

00:26:11.686 --> 00:26:18.146

Diego: So he was like already over there, and he was using his riches, like he's also like a millionaire kid.

00:26:18.346 --> 00:26:18.666

Joshua: Yeah.

00:26:18.746 --> 00:26:19.466

Diego: Kind of like Bruce.

00:26:19.566 --> 00:26:20.666

Joshua: He has a family.

00:26:21.266 --> 00:26:21.946

Diego: He does, yeah.

00:26:22.686 --> 00:26:29.526

Diego: So I don't know exactly like how fatherly the relationship was there, and then there's also, of course, Red Hood.

00:26:29.886 --> 00:26:30.666

Joshua: Yeah, which...

00:26:31.306 --> 00:26:33.546

Diego: And that one's complicated.

00:26:33.566 --> 00:26:36.466

Diego: I don't think things got too fatherly there either.

00:26:36.466 --> 00:26:40.666

Diego: But the two that we listed, though, they are in a different way.

00:26:40.686 --> 00:26:42.566

Diego: So first is Batman and Damien Wayne.

00:26:42.646 --> 00:26:51.566

Joshua: Which Batman, not the same as Bruce Wayne in this scenario, Batman and Damien relate more in the whole vigilante side of things.

00:26:51.586 --> 00:26:51.926

Diego: Yeah.

00:26:52.166 --> 00:26:56.646

Joshua: And like the whole like superheroing thing, the more like trained assassin type thing.

00:26:57.226 --> 00:27:00.886

Joshua: And then the other one that we have is Bruce Wayne and Dick Grayson.

00:27:01.226 --> 00:27:01.586

Diego: Yeah.

00:27:01.666 --> 00:27:06.006

Joshua: And they relate more as like the whole father and son, like actually family.

00:27:06.526 --> 00:27:07.166

Joshua: Type thing.

00:27:07.266 --> 00:27:08.746

Diego: It's really interesting.

00:27:08.766 --> 00:27:18.686

Diego: Those two relationships are like super interesting to me because it really is like the two sides of Bruce Wayne.

00:27:18.966 --> 00:27:19.506

Joshua: Yeah.

00:27:19.786 --> 00:27:22.286

Diego: I play here, you know, the two sides of Bruce Wayne Batman.

00:27:23.126 --> 00:27:32.386

Diego: There's actually a storyline in the comics right now where it's basically the heirs of both Batman and Superman, but it's not Damien.

00:27:32.926 --> 00:27:35.206

Diego: It's actually Dick Grayson and Jonathan Kent.

00:27:35.386 --> 00:27:35.806

Joshua: Really?

00:27:35.806 --> 00:27:38.726

Diego: John Kent, yeah, who are like representing each one of them.

00:27:38.826 --> 00:27:47.266

Diego: And I thought that that was an interesting choice, but I like the fact that they're honoring Dick Grayson because the truth is, man, like he's been there.

00:27:47.466 --> 00:27:47.886

Joshua: Yeah.

00:27:47.966 --> 00:27:53.766

Diego: This dude had plenty of times to go all Red Hood and like turn against Batman, and he never did.

00:27:53.786 --> 00:27:59.086

Diego: You know, he grew, he matured, he evolved, he took on the Nightwing persona.

00:27:59.126 --> 00:28:02.326

Joshua: He got a Whack costume at one point.

00:28:02.586 --> 00:28:03.426

Diego: Whack costume?

00:28:03.766 --> 00:28:04.106

Joshua: Yeah.

00:28:04.666 --> 00:28:05.866

Diego: Oh, the first Nightwing?

00:28:05.886 --> 00:28:06.146

Joshua: Yeah.

00:28:06.166 --> 00:28:06.986

Diego: Oh yeah, that was weird.

00:28:07.106 --> 00:28:09.186

Joshua: The 70s disco costume.

00:28:09.246 --> 00:28:09.906

Diego: Very weird.

00:28:10.786 --> 00:28:18.026

Diego: But he stuck around, and not only has he been there to back up Batman, but he's actually been there to be like the second in command of the Bat Family.

00:28:18.046 --> 00:28:18.426

Joshua: Yeah.

00:28:18.786 --> 00:28:28.386

Diego: And he himself had a lot of involvement when Damian came on board during the New 52 comics.

00:28:28.546 --> 00:28:29.686

Joshua: Yeah.

00:28:29.986 --> 00:28:31.706

Diego: He had a lot of clashes.

00:28:31.726 --> 00:28:34.806

Diego: Like Damian was straight up testing Dick.

00:28:35.826 --> 00:28:38.406

Diego: He was like trying to kill him.

00:28:38.806 --> 00:28:41.286

Joshua: He did kill him in the Injustice Universe.

00:28:41.666 --> 00:28:42.046

Diego: Did he?

00:28:42.066 --> 00:28:44.166

Diego: Oh yeah, and he took on the Nightwing persona.

00:28:44.186 --> 00:28:47.046

Joshua: Yeah, he literally killed him in the Injustice Universe.

00:28:47.086 --> 00:28:48.866

Diego: That makes so much sense, though.

00:28:48.966 --> 00:28:49.766

Diego: That's really cool.

00:28:50.166 --> 00:29:02.706

Diego: So yeah, it really is like Dick relates more with the humanity that Batman has, that Bruce Wayne has, and Damian just relates to this dark, trained vigilante persona.

00:29:02.826 --> 00:29:04.906

Diego: Yeah, so really cool.

00:29:04.926 --> 00:29:11.206

Diego: There's this whole duality with these two guys, and them being kind of like heirs to different sides of Batman.

00:29:11.226 --> 00:29:12.906

Diego: It's really cool.

00:29:12.926 --> 00:29:16.526

Diego: Also from the DC world, you've got Jor-El and Kal-El.

00:29:16.926 --> 00:29:17.386

Joshua: Yes.

00:29:17.806 --> 00:29:20.326

Diego: We just watched Man of Steel.

00:29:20.366 --> 00:29:20.926

Joshua: We did.

00:29:21.066 --> 00:29:22.326

Diego: Which we hadn't seen.

00:29:22.326 --> 00:29:23.926

Diego: You hadn't seen it.

00:29:23.946 --> 00:29:25.366

Joshua: I'd never seen it until then.

00:29:25.386 --> 00:29:28.466

Diego: I couldn't believe it that you hadn't seen it, man.

00:29:29.126 --> 00:29:30.006

Diego: What did you think of it?

00:29:30.326 --> 00:29:30.926

Joshua: I liked it.

00:29:31.106 --> 00:29:31.486

Diego: Right?

00:29:31.586 --> 00:29:31.966

Joshua: Yeah.

00:29:32.046 --> 00:29:33.286

Diego: It's a great movie, man.

00:29:33.406 --> 00:29:35.606

Diego: It's a solid, solid Superman movie.

00:29:35.626 --> 00:29:37.126

Joshua: One of the best in the DCEU.

00:29:37.306 --> 00:29:38.926

Diego: Yes, I completely agree with that.

00:29:40.046 --> 00:29:47.786

Diego: And one of the things that I love is that they spent quite a bit of time showing us Krypton, showing us Jor-El, you know?

00:29:48.926 --> 00:29:50.026

Diego: And it's really cool.

00:29:50.406 --> 00:29:54.386

Diego: This is another one of those scenarios where the father and son are not there.

00:29:54.466 --> 00:29:55.986

Diego: He didn't raise Kal-El.

00:29:56.006 --> 00:29:57.066

Diego: He didn't raise Superman.

00:29:58.226 --> 00:30:00.826

Diego: But there's a legacy, you know?

00:30:00.906 --> 00:30:10.446

Diego: And especially in that movie, they make, you know, Saxxider takes it an extra step with Jor-El uploading his consciousness to the computer of the ship and all that.

00:30:10.906 --> 00:30:17.186

Diego: So he's able to have these conversations with him, and he does kind of mentor him through that uploaded consciousness.

00:30:18.586 --> 00:30:19.046

Diego: So yeah.

00:30:19.286 --> 00:30:21.026

Joshua: I thought that it was Johnny Depp.

00:30:21.486 --> 00:30:22.186

Diego: This guy.

00:30:22.566 --> 00:30:23.546

Diego: Seriously, man?

00:30:24.786 --> 00:30:28.666

Diego: You and your generation have gone way too crazy with this Johnny Depp trial.

00:30:28.786 --> 00:30:31.146

Diego: Just seeing Johnny Depp in your dreams now.

00:30:31.166 --> 00:30:32.366

Joshua: My dog stepped on a bee.

00:30:34.466 --> 00:30:34.946

Diego: Anyway.

00:30:34.966 --> 00:30:37.966

Diego: But yeah, last thing I'll say about this one.

00:30:39.906 --> 00:30:43.726

Diego: Clark Kent, Superman Kal-El, he is a son of two worlds.

00:30:44.026 --> 00:30:44.366

Joshua: Yeah.

00:30:44.366 --> 00:30:44.766

Diego: You know?

00:30:45.466 --> 00:30:47.606

Diego: And it's undeniable.

00:30:47.626 --> 00:30:55.026

Diego: And I think an honorable mention would be Jonathan Kent, his dad, like Clark's dad.

00:30:55.306 --> 00:30:55.526

Joshua: Yeah.

00:30:55.546 --> 00:30:56.866

Diego: The guy who adopted him on Earth.

00:30:57.206 --> 00:30:59.026

Diego: You know, he is...

00:31:00.726 --> 00:31:02.666

Diego: He was his father for all intents and purposes.

00:31:03.466 --> 00:31:04.446

Joshua: Jonathan Kent?

00:31:04.646 --> 00:31:04.986

Diego: Yeah.

00:31:07.086 --> 00:31:07.746

Diego: Jonathan Kent.

00:31:10.946 --> 00:31:13.026

Joshua: Jonathan Kent is Superman's son.

00:31:13.706 --> 00:31:16.326

Diego: Well, yeah, he named them after his father, his Earth father.

00:31:17.146 --> 00:31:17.626

Diego: Yeah.

00:31:19.446 --> 00:31:20.946

Diego: But then there is that one as well.

00:31:20.966 --> 00:31:21.466

Joshua: Yeah.

00:31:21.986 --> 00:31:23.946

Diego: So, Superman and John Kent.

00:31:24.886 --> 00:31:26.986

Diego: I am not following any of the comics.

00:31:26.986 --> 00:31:31.606

Diego: I know that he recently came out as bisexual, and I know that that was like a whole big deal for everybody.

00:31:33.126 --> 00:31:38.766

Diego: And they've got that whole storyline going on right now, where he and Dick Grayson are kind of like following the legacy of Batman, Superman.

00:31:40.106 --> 00:31:41.546

Diego: So I don't know what he's been up to.

00:31:41.566 --> 00:31:47.906

Diego: The last thing, the thing that I did follow in the comics wise was the deceased world.

00:31:50.286 --> 00:31:55.346

Diego: And in that one, it's actually John Kent and Damien who take over for their fathers.

00:31:56.006 --> 00:32:05.646

Diego: And they take on the respective personas of Batman and Superman, and they really struggle in this crazy dead world to figure out how to be, like honor their fathers.

00:32:05.666 --> 00:32:06.206

Diego: Yeah.

00:32:06.386 --> 00:32:09.646

Joshua: I really liked the deceased dead planet.

00:32:09.666 --> 00:32:10.266

Joshua: What was it?

00:32:10.286 --> 00:32:10.726

Joshua: What was it?

00:32:11.226 --> 00:32:11.906

Diego: Unkillables.

00:32:12.026 --> 00:32:12.826

Joshua: Unkillables.

00:32:12.846 --> 00:32:13.806

Joshua: That was really cool.

00:32:14.006 --> 00:32:24.146

Diego: Yo, honestly, if DC doesn't very quickly turn this into like its own trilogy of movies or something, they are missing an opportunity.

00:32:24.326 --> 00:32:26.586

Joshua: Bro, like those tree lobsters?

00:32:27.986 --> 00:32:29.606

Diego: The tree lobsters, yes.

00:32:30.246 --> 00:32:31.106

Diego: So cool, man.

00:32:31.126 --> 00:32:32.006

Diego: What a great story.

00:32:32.026 --> 00:32:35.126

Diego: That is really one of the best stories that I read from DC in a long time.

00:32:35.306 --> 00:32:35.606

Joshua: Yeah.

00:32:35.626 --> 00:32:37.526

Diego: And so much potential to just create.

00:32:37.826 --> 00:32:45.966

Diego: They could create like a show on HBO Max and extend it for multiple seasons.

00:32:46.006 --> 00:32:49.986

Diego: It's basically like a mix between like Titans and The Walking Dead.

00:32:50.566 --> 00:32:51.026

Joshua: Yeah.

00:32:51.046 --> 00:32:52.906

Diego: And my God, that show would sell.

00:32:53.126 --> 00:32:54.286

Diego: Like, come on.

00:32:54.486 --> 00:32:55.646

Diego: It's such a cool world.

00:32:55.706 --> 00:32:59.466

Diego: One of the best worlds has been created from the DC side of things.

00:32:59.626 --> 00:32:59.946

Diego: All right.

00:33:00.046 --> 00:33:03.026

Diego: Let's pick up the list with Marvel.

00:33:03.166 --> 00:33:03.546

Joshua: Yes.

00:33:03.646 --> 00:33:20.046

Diego: So we've got about nine different father-son or father-figure relationships to chat about, starting with one that was really highlighted in the MCU throughout the first three phases of the MCU, and that is Tony Stark and Peter Parker.

00:33:20.246 --> 00:33:20.826

Joshua: Yeah.

00:33:21.066 --> 00:33:22.506

Diego: What can you tell me about this, son?

00:33:23.426 --> 00:33:26.046

Joshua: So what I can say is that this is a very...

00:33:26.526 --> 00:33:27.306

Joshua: I mean, all of these...

00:33:27.866 --> 00:33:30.066

Joshua: Most of these relationships are very interesting.

00:33:31.806 --> 00:33:42.546

Joshua: I feel like Peter, kind of at the beginning, he was, like, much more drawn to Tony, and Tony was definitely more like, like, hold on, bro.

00:33:42.866 --> 00:33:43.326

Diego: Yeah.

00:33:43.346 --> 00:33:44.146

Joshua: We're not that close.

00:33:44.206 --> 00:33:44.846

Diego: Boundaries.

00:33:44.966 --> 00:33:45.406

Joshua: Yeah.

00:33:46.066 --> 00:33:49.446

Joshua: And then at the end, there was that scene where...

00:33:52.366 --> 00:33:56.466

Joshua: Yeah, where, in Infinity War, Peter was, like, trying to hug Tony.

00:33:56.866 --> 00:33:59.306

Joshua: And then he was, like, and he, like, pushed him back.

00:33:59.326 --> 00:34:00.446

Joshua: I don't get that still.

00:34:00.846 --> 00:34:01.626

Joshua: I still don't get it.

00:34:02.246 --> 00:34:06.746

Joshua: And then in Endgame, he was, like, finally...

00:34:06.766 --> 00:34:09.066

Diego: Oh, you mean Civil War in the car?

00:34:10.186 --> 00:34:10.546

Joshua: No.

00:34:11.466 --> 00:34:12.306

Diego: Infinity War?

00:34:12.766 --> 00:34:15.006

Joshua: Yeah, when Peter was fading away.

00:34:15.966 --> 00:34:16.746

Diego: Oh, yeah.

00:34:16.926 --> 00:34:17.226

Joshua: Yeah.

00:34:17.606 --> 00:34:19.146

Diego: What did you say that he pushed him away?

00:34:19.166 --> 00:34:19.586

Diego: What do you mean?

00:34:20.166 --> 00:34:21.526

Joshua: He, like, Tony...

00:34:21.706 --> 00:34:28.066

Joshua: I mean, Peter was, like, trying to hug Tony, and then he, like, pushed him back on the ground.

00:34:28.666 --> 00:34:29.246

Diego: No, he didn't.

00:34:29.266 --> 00:34:32.186

Diego: He was, like, carefully laying him on the ground because he knew that he was in pain.

00:34:32.706 --> 00:34:32.926

Joshua: Oh.

00:34:33.266 --> 00:34:35.246

Diego: No, he wasn't rejecting him at that point.

00:34:35.306 --> 00:34:38.506

Diego: On the contrary, I mean, that was one of Tony's, like, greatest fears.

00:34:39.326 --> 00:34:42.746

Diego: That, you know, that he, that the kid would die in his arms, you know?

00:34:43.726 --> 00:34:50.166

Joshua: So, and then in Endgame, finally, when he shows up, Tony is the one to actually hug him.

00:34:50.466 --> 00:34:50.666

Diego: Yeah.

00:34:50.686 --> 00:34:51.126

Joshua: Like that.

00:34:51.306 --> 00:34:55.806

Diego: And that's a full circle back to Homecoming.

00:34:55.986 --> 00:34:56.666

Joshua: Yeah, Homecoming.

00:34:56.686 --> 00:35:02.906

Diego: The beginning of Homecoming, when he's dropping Peter off, he and Happy are dropping Peter off back at his apartment.

00:35:02.926 --> 00:35:06.646

Diego: And he goes to unlock the door, and Peter thinks he's trying to hug him.

00:35:07.426 --> 00:35:08.966

Diego: And he's like, no, no, no, we're not there yet.

00:35:09.746 --> 00:35:11.086

Diego: And there you go, full circle.

00:35:11.226 --> 00:35:13.766

Diego: Man, the Russos really did a number with that movie.

00:35:15.366 --> 00:35:24.166

Diego: The amount of full circle connections that they made just shows how much attention they wanted to pay to paint stuff off for their fans.

00:35:24.466 --> 00:35:34.926

Diego: Anyway, so yeah, Tony Stark and Peter Parker, really interesting because, of course, traditionally the mentor or the father figure for Peter Parker is Uncle Ben.

00:35:35.286 --> 00:35:53.906

Diego: And so in the MCU, they took the cue from the Civil War storyline in the comics where Peter Parker got very close to Tony Stark and he became kind of like his main ally in the Superhero Registration Act, which is kind of like the Sokovia Accords in the MCU.

00:35:54.506 --> 00:36:00.786

Diego: And he got Tony convinced Peter to reveal his secret identity to the entire world in a press conference.

00:36:00.806 --> 00:36:01.206

Joshua: Oh, really?

00:36:01.266 --> 00:36:01.666

Diego: Yeah.

00:36:02.786 --> 00:36:09.586

Diego: And so that relationship became very important, but it was a lot more like mentor-mentee as opposed to a father figure relationship.

00:36:09.606 --> 00:36:10.906

Joshua: That's a word, mentee.

00:36:10.926 --> 00:36:13.006

Diego: Mentee is a word, incredibly enough, yeah.

00:36:13.426 --> 00:36:15.526

Joshua: Mentor, mentee, mentos.

00:36:16.526 --> 00:36:20.346

Diego: Yes, a mentor and mentee ate some mentos and went mental.

00:36:22.826 --> 00:36:25.266

Diego: I'm sorry, I meant to say something different.

00:36:26.326 --> 00:36:27.166

Diego: I can keep going.

00:36:27.186 --> 00:36:27.866

Diego: I can keep going.

00:36:27.886 --> 00:36:29.786

Diego: I'm telling you, I can keep on going.

00:36:29.806 --> 00:36:30.526

Diego: I'm sorry, bro.

00:36:30.546 --> 00:36:31.226

Diego: I'm a lyricist.

00:36:31.246 --> 00:36:31.766

Diego: What can I do?

00:36:31.786 --> 00:36:32.226

Diego: What can I do?

00:36:32.246 --> 00:36:32.786

Diego: I'm an MC.

00:36:33.286 --> 00:36:41.886

Diego: Anyway, but yeah, the MCU decided to pick that up and make that the focus of Tony Stark and Peter Parker.

00:36:41.906 --> 00:36:51.746

Diego: And I think it was very smart, because it ended up creating a lot of interesting storylines for Tony and for his character development, and of course, also for Peter.

00:36:52.866 --> 00:36:58.366

Diego: But let's talk also about, of course, our number two within the Marvel list, which is Uncle Ben and Peter Parker.

00:36:59.266 --> 00:37:01.166

Diego: That one is so important.

00:37:01.706 --> 00:37:07.726

Diego: And I'm so happy that in Spider-Man No Way Home, they brought it back to that.

00:37:08.026 --> 00:37:08.486

Joshua: Yeah.

00:37:08.586 --> 00:37:08.926

Diego: Right?

00:37:09.126 --> 00:37:15.406

Joshua: Because in the beginning, like Uncle Ben is kind of like long dead.

00:37:15.606 --> 00:37:16.406

Diego: Yeah, right.

00:37:16.426 --> 00:37:18.826

Joshua: And so like there's not really anyone to like...

00:37:20.526 --> 00:37:20.906

Joshua: Yeah.

00:37:21.086 --> 00:37:29.626

Diego: And in the 616 MCU universe, they gave that role now of, you know, dying, great power, great responsibility...

00:37:31.026 --> 00:37:31.886

Diego: To Aunt May.

00:37:32.346 --> 00:37:33.246

Diego: May she rest in peace.

00:37:34.286 --> 00:37:42.766

Diego: But of course, you had Andrew Garfield Spidey and you had Tobey Maguire Spidey making that connection by them talking about their Uncle Ben stories.

00:37:43.186 --> 00:37:50.226

Diego: So even though we didn't get to live that same Uncle Ben moment with MCU Peter Parker, we still got that connection.

00:37:50.746 --> 00:37:56.046

Diego: We still got that whole thing and the incredible event that was No Way Home.

00:37:56.466 --> 00:37:56.846

Joshua: Yeah.

00:37:56.966 --> 00:38:00.706

Diego: So yeah, Uncle Ben and Peter Parker definitely had to be on this list.

00:38:00.726 --> 00:38:02.446

Diego: Next, this one comes from comics.

00:38:03.086 --> 00:38:08.606

Diego: In the comics, Magneto is the father of Wanda Maximoff and Pietro Maximoff.

00:38:08.626 --> 00:38:09.706

Diego: Yeah.

00:38:09.726 --> 00:38:11.986

Diego: And that is a very important relationship.

00:38:12.006 --> 00:38:16.046

Diego: They are with him in the Brotherhood of Mutants for many, many storylines.

00:38:16.786 --> 00:38:27.826

Diego: And then House of M, as Wanda is developing her powers as a Scarlet Witch and becoming this reality altering super powered mutant.

00:38:29.146 --> 00:38:32.006

Diego: That relationship with Magneto was also played up in there.

00:38:32.426 --> 00:38:38.026

Diego: There's a lot of stuff that happens in the comics that revolves around this father and children relationship.

00:38:38.666 --> 00:38:41.926

Diego: One which we have not gotten in the movies.

00:38:42.566 --> 00:38:42.866

Joshua: Yeah.

00:38:43.086 --> 00:38:49.166

Diego: We did get the somewhat revelation that...

00:38:49.166 --> 00:38:51.066

Diego: You mean the X-Men?

00:38:51.086 --> 00:38:52.286

Diego: Yeah, that Pietro there was...

00:38:52.306 --> 00:38:53.546

Diego: His name was Pietro.

00:38:53.566 --> 00:38:54.546

Diego: Magneto's son.

00:38:54.566 --> 00:38:55.526

Joshua: I forgot about that.

00:38:55.766 --> 00:38:56.086

Diego: Yeah.

00:38:57.206 --> 00:39:00.786

Diego: But still, it wasn't something that led to anywhere significant.

00:39:00.806 --> 00:39:02.626

Diego: It was just kind of there, mentioned.

00:39:02.646 --> 00:39:08.706

Diego: And it's kind of implied, I think, that there's a Wanda as a little girl, but never really explored.

00:39:09.046 --> 00:39:13.826

Diego: And of course, in the MCU, Magneto was not a thing, so we never got that mentioned.

00:39:13.846 --> 00:39:29.166

Diego: And in Multiverse of Madness, which was the best freakin opportunity for Professor X to tell her, you have a father in my world, and I can show you how not to become like him, Wanda.

00:39:29.206 --> 00:39:29.526

Diego: Nope.

00:39:29.546 --> 00:39:31.546

Diego: Instead, he just gets his neck snapped.

00:39:32.266 --> 00:39:33.706

Diego: Just like that.

00:39:34.106 --> 00:39:34.666

Diego: Crack.

00:39:34.826 --> 00:39:35.486

Diego: Crack.

00:39:36.826 --> 00:39:37.686

Diego: Still mad about that.

00:39:37.706 --> 00:39:38.706

Joshua: Black Bolt.

00:39:39.046 --> 00:39:39.746

Diego: I'm still mad.

00:39:39.746 --> 00:39:43.526

Diego: Don't talk to me about Black Bolt's inner turmoil.

00:39:43.966 --> 00:39:49.066

Joshua: If Reed Richards is the smartest man alive, he would not...

00:39:49.706 --> 00:39:50.226

Diego: Anyway.

00:39:50.666 --> 00:39:51.066

Diego: Yeah.

00:39:51.766 --> 00:40:04.486

Diego: Now, talking about Wanda Maximoff, of course, in Wanda Vision, we got the scenario where Wanda and Vision had two children, Billy and Tommy.

00:40:05.066 --> 00:40:10.766

Diego: And we got to see, at first, Vision was kind of, you know, like, suspicious.

00:40:10.786 --> 00:40:11.966

Diego: What's going on here?

00:40:11.966 --> 00:40:13.586

Diego: Where did these kids come from?

00:40:14.146 --> 00:40:22.726

Diego: But then by the end, after he kind of knew everything that was going on and he understood the nature of the Hex and all that stuff, he was ready to fight for his kids, man.

00:40:22.986 --> 00:40:23.386

Joshua: Yeah.

00:40:23.586 --> 00:40:27.346

Diego: And they had that really beautiful scene where they're, like, putting them to bed for one last time.

00:40:27.366 --> 00:40:28.466

Diego: Damn, that was such a sad scene.

00:40:30.446 --> 00:40:31.786

Diego: So, yeah, Vision.

00:40:31.806 --> 00:40:33.406

Diego: Vision became a dad, you know?

00:40:33.426 --> 00:40:37.046

Diego: And somewhere in the Multiverse, I'm sure that he still is.

00:40:37.246 --> 00:40:47.686

Joshua: And in Multiverse of Madness, those kids, the actors of Billy and Tommy, they were in a big event, MCU event movie.

00:40:48.546 --> 00:40:48.826

Diego: What?

00:40:49.546 --> 00:40:51.946

Joshua: In Multiverse of Madness, the kids who play Billy and Tommy.

00:40:54.386 --> 00:40:56.286

Diego: Oh, that they got brought into a movie.

00:40:56.306 --> 00:40:58.246

Diego: Yeah, exactly.

00:40:58.266 --> 00:40:58.466

Diego: Yeah.

00:40:58.886 --> 00:40:59.586

Diego: And you know what?

00:40:59.606 --> 00:41:00.806

Diego: They hadn't dumbbed on me, man.

00:41:00.826 --> 00:41:01.486

Diego: That's true.

00:41:01.506 --> 00:41:04.266

Joshua: And it's the same actors and all that.

00:41:04.326 --> 00:41:06.746

Diego: Yeah, those kids really got their moment, man.

00:41:07.406 --> 00:41:08.966

Diego: And we haven't seen anything yet, bro.

00:41:09.046 --> 00:41:13.266

Joshua: I want to see who they choose to play their older selves.

00:41:14.126 --> 00:41:19.266

Diego: I mean, remember, like, when you're that age, you grow and change constantly, man.

00:41:20.186 --> 00:41:25.766

Diego: So technically, they could make it so that they are, they keep playing the characters.

00:41:25.786 --> 00:41:26.366

Diego: I don't think why.

00:41:26.386 --> 00:41:27.666

Diego: I don't see any reason why they shouldn't.

00:41:27.826 --> 00:41:28.146

Joshua: Yeah.

00:41:28.526 --> 00:41:29.346

Diego: Really think about it.

00:41:31.386 --> 00:41:43.446

Diego: Plus, it seems to me, total tangent here, but it seems to me like Marvel is possibly doing with Young Avengers what they did with The Avengers.

00:41:43.786 --> 00:41:44.246

Joshua: Yeah.

00:41:44.266 --> 00:41:46.406

Diego: Which was take their time to build something.

00:41:46.926 --> 00:41:54.026

Diego: It really does start to seem, because I mean, bro, we've got Hawkeye, Cape Bishop out there.

00:41:54.586 --> 00:41:57.726

Diego: We've got the Black Widow.

00:41:59.226 --> 00:41:59.946

Diego: Help me out here.

00:42:01.126 --> 00:42:01.786

Diego: What's her name?

00:42:03.286 --> 00:42:04.526

Diego: The sister of Natasha.

00:42:04.546 --> 00:42:06.186

Joshua: I don't think she's not.

00:42:06.466 --> 00:42:08.726

Diego: Oh, she could definitely be in Young Avengers.

00:42:08.746 --> 00:42:09.706

Joshua: She's not that young.

00:42:10.326 --> 00:42:11.206

Diego: Wow.

00:42:11.226 --> 00:42:13.186

Diego: You got something against Florence Pugh, bro?

00:42:13.946 --> 00:42:15.686

Diego: You want to get something off your chest?

00:42:15.706 --> 00:42:16.906

Diego: You want to tell us about it?

00:42:16.926 --> 00:42:17.766

Diego: Go ahead, son.

00:42:18.086 --> 00:42:18.726

Diego: Go ahead.

00:42:20.346 --> 00:42:20.886

Diego: No, please.

00:42:20.906 --> 00:42:21.326

Diego: Go ahead.

00:42:21.346 --> 00:42:23.366

Diego: Tell us about this old lady, Florence Pugh.

00:42:23.386 --> 00:42:24.226

Diego: Go ahead, son.

00:42:25.046 --> 00:42:26.106

Diego: Wow, this guy.

00:42:29.666 --> 00:42:33.506

Diego: Anyway, you've got Isaiah, who becomes the Patriot character.

00:42:33.546 --> 00:42:34.486

Joshua: Kamala Khan.

00:42:34.546 --> 00:42:37.926

Diego: You've got Kamala Khan now being introduced in the Awesomest Marvel series.

00:42:38.166 --> 00:42:42.406

Diego: You've got Tommy and Billy, and, you know, multiple other characters.

00:42:42.426 --> 00:42:43.406

Joshua: And then Kang.

00:42:44.006 --> 00:42:54.386

Diego: So, yeah, like, it's starting to be like, you know, they're planting all the seeds, and they could take their time, so, you know, these kids could really be growing up by that point.

00:42:54.686 --> 00:42:57.986

Joshua: There are some Disney Plus shows that are not...

00:42:58.186 --> 00:43:00.346

Joshua: that have not been, like, released yet.

00:43:00.706 --> 00:43:03.546

Joshua: That I feel like they've been, like, talking about for a long time.

00:43:04.346 --> 00:43:05.446

Joshua: Like Ironheart.

00:43:05.706 --> 00:43:06.106

Diego: Oh, yeah.

00:43:06.306 --> 00:43:06.526

Joshua: Mm-hmm.

00:43:06.626 --> 00:43:07.526

Diego: Oh, she's another one.

00:43:07.806 --> 00:43:08.166

Joshua: Yeah.

00:43:08.286 --> 00:43:13.806

Joshua: Also, when I said Kang, I meant because I remember you told me one time that, like, Ironlad became Kang.

00:43:15.126 --> 00:43:17.806

Joshua: And I kind of connected Ironlad and Ironheart.

00:43:17.826 --> 00:43:21.486

Joshua: So that's why it sounded kind of weird when I said, Kang, Kang.

00:43:22.326 --> 00:43:23.546

Diego: Yeah, just a bit.

00:43:24.426 --> 00:43:28.606

Diego: All right, now let's talk about a couple of guys who should get Father of the Year awards.

00:43:28.706 --> 00:43:29.406

Diego: Thanos.

00:43:30.026 --> 00:43:38.306

Diego: Thanos and his being a sort of adoptive slash kidnapping father to Gamora and Nebula.

00:43:38.606 --> 00:43:40.026

Diego: Especially with Nebula.

00:43:40.046 --> 00:43:43.046

Diego: I feel like he should receive some kind of award for his parenting of Nebula.

00:43:43.066 --> 00:43:45.786

Joshua: He treated her amazing.

00:43:45.806 --> 00:43:48.786

Diego: Yeah, he got her spare parts all the time.

00:43:48.806 --> 00:43:53.746

Diego: He kept her with the best software updates because he implanted her with machinery.

00:43:54.626 --> 00:43:55.246

Diego: Great father.

00:43:55.706 --> 00:43:56.246

Diego: Good dad.

00:43:56.266 --> 00:43:57.046

Diego: Yeah, good dad.

00:43:58.646 --> 00:44:08.146

Diego: But no, and then we get that moment, of course, with Thanos and Gamora over in the Soul Stone place, Vormir, and he sacrifices her.

00:44:08.166 --> 00:44:15.286

Diego: And it actually works, which legitimately implies, that implies it confirms that he actually loved her.

00:44:16.466 --> 00:44:18.546

Diego: Because it wouldn't have worked if he didn't love her.

00:44:20.446 --> 00:44:21.566

Joshua: That's true.

00:44:21.586 --> 00:44:24.926

Diego: Yeah, like the Soul Stone reads your heart, right?

00:44:25.526 --> 00:44:26.826

Diego: It can see what's inside.

00:44:27.546 --> 00:44:30.906

Diego: So like, he actually did love her, which is a crazy thing.

00:44:30.926 --> 00:44:34.626

Diego: So you can't deny, give him that award, give him that award, even though he killed her, but whatever.

00:44:34.646 --> 00:44:37.126

Joshua: I wonder what would happen if he threw Nebula off.

00:44:38.766 --> 00:44:44.626

Diego: Just a lot of misuse of spare parts, you know, a lot of broken tech.

00:44:44.646 --> 00:44:45.426

Diego: That's all that would happen.

00:44:46.446 --> 00:44:48.766

Joshua: I would grab Red Skull.

00:44:49.246 --> 00:44:53.406

Joshua: I would like kiss Red Skull to make me love him.

00:44:54.426 --> 00:44:57.386

Joshua: And then I would throw him off so that I could get the thing.

00:44:58.306 --> 00:45:00.306

Diego: There is so much wrong with what you just said.

00:45:00.326 --> 00:45:05.486

Diego: I'm just going to move on to the next award winner here, which is Ego the Living Planet.

00:45:05.506 --> 00:45:07.726

Joshua: Yeah, another amazing father.

00:45:07.746 --> 00:45:09.866

Joshua: Another just amazing father.

00:45:11.766 --> 00:45:26.226

Diego: Yeah, this guy quite literally went around planting seeds all over the universe, making babies with women from different alien species, one of them being Peter Quill's mom, which eventually made her get cancer and die.

00:45:26.506 --> 00:45:26.946

Joshua: Yeah.

00:45:27.126 --> 00:45:45.766

Diego: And then he went to grab Peter Quill, and he bamboozled him to make him think that he wanted to have a relationship with him, when all he really needed was the two god-powered beings to activate something or rather that he needed to conquer the universe or whatever.

00:45:45.786 --> 00:45:48.366

Joshua: It makes sense.

00:45:48.646 --> 00:45:49.406

Diego: Not a great dad.

00:45:50.186 --> 00:45:52.026

Diego: But I'll tell you who was a better dad.

00:45:53.406 --> 00:45:56.386

Diego: The guy who kidnapped him as a child, yes.

00:45:56.386 --> 00:45:59.186

Joshua: And told him and scared him that he was going to eat him.

00:45:59.206 --> 00:46:00.626

Diego: Yes, multiple times apparently.

00:46:00.646 --> 00:46:01.926

Joshua: Multiple times, yes.

00:46:01.946 --> 00:46:03.186

Diego: He threatened with this, yeah.

00:46:03.686 --> 00:46:05.806

Diego: But in the end, all is forgiven, you know.

00:46:05.826 --> 00:46:07.326

Joshua: He became Mary Poppins.

00:46:07.566 --> 00:46:09.126

Diego: He did become Mary Poppins.

00:46:09.546 --> 00:46:12.566

Diego: And yeah, he died, you know.

00:46:12.586 --> 00:46:13.506

Diego: Trying to like save him.

00:46:14.446 --> 00:46:18.006

Diego: So I guess we forgive him for all his past misdeeds.

00:46:18.286 --> 00:46:18.806

Joshua: Yeah.

00:46:19.906 --> 00:46:20.466

Diego: Hey, listen.

00:46:20.726 --> 00:46:22.926

Diego: Definitely a better father, I think, than Diego.

00:46:23.006 --> 00:46:23.626

Joshua: Oh, yeah.

00:46:23.766 --> 00:46:24.486

Diego: I would think so.

00:46:25.066 --> 00:46:27.566

Diego: Not a better father than Thanos, because he legitimately loved Gamora.

00:46:27.586 --> 00:46:32.746

Diego: All right, let's talk about a weird father-child connection here, a relationship.

00:46:33.166 --> 00:46:33.626

Joshua: Yeah.

00:46:33.646 --> 00:46:34.606

Diego: It's a very gooey one.

00:46:35.906 --> 00:46:37.146

Joshua: Venom and Carnage.

00:46:37.946 --> 00:46:38.286

Diego: Yeah.

00:46:38.506 --> 00:46:43.906

Diego: And this was a funny one, because, like, you know, Carnage is kind of like a spawn of Venom.

00:46:45.326 --> 00:46:49.946

Diego: And, like, legitimately, in the comics, they make reference to that all the time.

00:46:49.966 --> 00:46:51.606

Diego: Like, Carnage calls him father.

00:46:51.726 --> 00:46:54.366

Joshua: And he called him father in the movie, too.

00:46:54.526 --> 00:46:55.566

Diego: Oh, did he call him father?

00:46:55.566 --> 00:47:00.606

Joshua: Yeah, because there was a scene where Carnage was like, he was like, father.

00:47:00.986 --> 00:47:04.826

Joshua: And then the priest that was there, like, the pastor or whatever, he was like, huh?

00:47:05.566 --> 00:47:07.286

Joshua: And then he was like, not you, father.

00:47:07.966 --> 00:47:09.886

Diego: That's right, that's right, I forgot about that.

00:47:10.626 --> 00:47:12.586

Diego: Yeah, so, Venom and Carnage.

00:47:12.846 --> 00:47:14.206

Diego: Very weird.

00:47:14.746 --> 00:47:15.466

Joshua: Great duo.

00:47:15.546 --> 00:47:17.506

Diego: Father, son, child relationship.

00:47:17.526 --> 00:47:18.386

Joshua: I'm sad that he died.

00:47:18.766 --> 00:47:19.146

Diego: Yeah.

00:47:19.866 --> 00:47:20.466

Joshua: I like him.

00:47:20.486 --> 00:47:26.626

Diego: So we got this one, this next one on our list, and this is an interesting one because I haven't confirmed this for myself.

00:47:26.766 --> 00:47:27.206

Joshua: Yeah.

00:47:27.406 --> 00:47:34.266

Diego: But there's a lot of people out there who seem to think that Rocket and Groot actually have a father and child dynamic.

00:47:34.406 --> 00:47:42.946

Joshua: I definitely see it as Rocket is like, this is a very specific kind of connection here.

00:47:43.526 --> 00:47:56.326

Joshua: But I kind of see it as if Groot is 14 years old, and then Rocket is something like, I don't know, Rocket is like 19, and then it's just like an older brother relationship.

00:47:58.406 --> 00:48:00.646

Joshua: Oh, you see it like an older brother type relationship.

00:48:00.766 --> 00:48:10.226

Diego: I don't know, man, but there's some people who say that when Groot is fading, that what he actually tells him in his I Am Groot language, his father.

00:48:11.666 --> 00:48:12.686

Diego: There's a theory out there.

00:48:12.706 --> 00:48:13.366

Diego: Look it up, people.

00:48:13.426 --> 00:48:15.526

Joshua: How do they know that?

00:48:15.546 --> 00:48:16.126

Diego: I don't know.

00:48:16.146 --> 00:48:17.266

Diego: Maybe someone speaks Groot.

00:48:17.286 --> 00:48:17.826

Joshua: Do they know?

00:48:17.846 --> 00:48:20.926

Joshua: Okay, maybe they got Thor to translate for them.

00:48:20.946 --> 00:48:21.526

Diego: It could be.

00:48:21.926 --> 00:48:25.186

Diego: Maybe someone out there went to Asgard school.

00:48:25.686 --> 00:48:26.506

Diego: Yeah.

00:48:26.606 --> 00:48:31.526

Diego: And they took that as an elective group language.

00:48:32.626 --> 00:48:33.886

Joshua: What is that language called?

00:48:33.906 --> 00:48:34.566

Joshua: I want to know.

00:48:34.586 --> 00:48:35.866

Diego: I don't know, Grootish.

00:48:37.186 --> 00:48:43.306

Diego: All right, and now let's hop off of the Marvel world, and let's go to the world of anime.

00:48:43.366 --> 00:48:44.026

Joshua: Anime.

00:48:44.406 --> 00:48:45.006

Diego: Anime.

00:48:45.086 --> 00:48:46.426

Joshua: Shindai wa nai.

00:48:47.106 --> 00:48:48.206

Diego: Oh dear.

00:48:48.226 --> 00:48:51.786

Diego: Okay, sorry Japanese people out there.

00:48:52.026 --> 00:48:56.406

Diego: Anyway, yeah, so in anime, let's first make a stop at Dragon Ball Land.

00:48:57.326 --> 00:48:58.186

Diego: We got a couple here.

00:48:58.666 --> 00:48:59.226

Diego: Got a couple.

00:48:59.686 --> 00:49:00.666

Diego: Goku and Gohan.

00:49:01.106 --> 00:49:04.386

Diego: Now, I gotta say, Goku in my book, I love Goku.

00:49:04.446 --> 00:49:05.146

Diego: He's a hero.

00:49:05.166 --> 00:49:06.726

Diego: Saved the world multiple times.

00:49:06.766 --> 00:49:08.506

Joshua: And he still sounds like a 10-year-old.

00:49:08.726 --> 00:49:12.466

Diego: Yes, dude eats like a hippopotamus and still is ripped.

00:49:12.986 --> 00:49:14.166

Diego: You gotta admire the man.

00:49:14.766 --> 00:49:16.886

Joshua: He has really fast metabolism.

00:49:16.906 --> 00:49:18.046

Diego: He really does, yes.

00:49:19.566 --> 00:49:23.546

Diego: Now, what he isn't is particularly a good father.

00:49:23.786 --> 00:49:24.326

Joshua: Yeah.

00:49:24.586 --> 00:49:28.386

Diego: Like, he's a hero and all that, and because he's a hero, Gohan admires him.

00:49:28.406 --> 00:49:29.086

Diego: He always has.

00:49:29.106 --> 00:49:30.386

Diego: And Goten admires him.

00:49:31.026 --> 00:49:34.926

Diego: But like, he's never been particularly nurturing or fatherly, you know?

00:49:34.926 --> 00:49:36.066

Diego: He's nice.

00:49:36.086 --> 00:49:39.326

Diego: He's not abusive or anything, or angry all the time.

00:49:39.346 --> 00:49:50.186

Joshua: I mean, there were definitely some scenes of him like, like, like, lay one more finger on my son, and I'll absolutely obliterate your face into a thousand smithereens.

00:49:50.426 --> 00:49:50.966

Diego: There was?

00:49:51.306 --> 00:49:52.786

Joshua: Yeah, there are some scenes like that.

00:49:53.946 --> 00:50:08.386

Diego: So, like, let's just say that, like, if Goku had a choice between, like, dying so that he could go and train in the afterlife with some grandmaster, or staying alive and raising his kids, he would absolutely choose to die.

00:50:09.406 --> 00:50:11.706

Diego: And as a matter of fact, he kind of has in the past.

00:50:12.526 --> 00:50:13.706

Joshua: Absolutely?

00:50:13.866 --> 00:50:14.506

Diego: Absolutely.

00:50:15.106 --> 00:50:23.086

Diego: There's nothing more important to Goku, not even his sons, nothing more important to Goku than training and becoming stronger.

00:50:23.426 --> 00:50:24.206

Diego: There just isn't.

00:50:26.266 --> 00:50:29.346

Diego: So for that reason, I can't say that he's a great dad, but hey, he's a dad.

00:50:29.726 --> 00:50:30.666

Diego: You know, he's there.

00:50:31.126 --> 00:50:32.586

Diego: And Gokan, and Gokan.

00:50:33.346 --> 00:50:39.566

Diego: Gohan has undoubtedly, like, taken on, taken after his father when it comes to being heroic and all that.

00:50:40.626 --> 00:50:43.526

Diego: And Goten has taken after his father for being annoying.

00:50:43.866 --> 00:50:45.946

Joshua: I don't get Goku's mindset, honestly.

00:50:46.726 --> 00:50:48.286

Joshua: Like, he's a god.

00:50:48.426 --> 00:50:49.686

Joshua: He's basically a god.

00:50:49.866 --> 00:50:50.566

Diego: Almost, yeah.

00:50:50.766 --> 00:50:52.486

Joshua: He's like, he beat Jiren.

00:50:53.106 --> 00:50:57.406

Joshua: Now he could probably beat Jiren now at just, like, Super Saiyan Blue.

00:50:57.426 --> 00:50:59.726

Joshua: He probably wouldn't have to go with your instinct.

00:51:00.546 --> 00:51:01.666

Diego: Yeah, I don't know.

00:51:01.666 --> 00:51:03.206

Diego: He's a strange character, for sure.

00:51:03.226 --> 00:51:04.186

Joshua: He's definitely.

00:51:04.726 --> 00:51:05.766

Diego: But not the best father.

00:51:05.806 --> 00:51:06.306

Diego: Not really.

00:51:06.866 --> 00:51:15.086

Diego: Now, interestingly enough, in one of those storylines in preparation for the Saiyan battles, Piccolo ended up taking Gohan under his wing.

00:51:15.846 --> 00:51:18.526

Diego: And he started trying to get the toughness out of him.

00:51:18.646 --> 00:51:19.106

Joshua: Yeah.

00:51:19.626 --> 00:51:20.786

Diego: And he...

00:51:20.806 --> 00:51:22.026

Diego: It was horrible.

00:51:22.046 --> 00:51:22.806

Diego: It was abuse.

00:51:22.806 --> 00:51:24.886

Diego: Like straight up child abuse.

00:51:24.906 --> 00:51:27.306

Diego: He was beating this little tiny toddler kid.

00:51:27.326 --> 00:51:31.366

Joshua: At least they didn't show that much in the Kakarot game when I was playing it.

00:51:31.406 --> 00:51:31.806

Diego: Yeah.

00:51:31.826 --> 00:51:32.646

Joshua: It just showed...

00:51:33.006 --> 00:51:36.666

Joshua: I feel like it made it look like Piccolo was being nice to Gohan.

00:51:36.886 --> 00:51:37.346

Diego: Really?

00:51:37.486 --> 00:51:49.326

Joshua: Because in the thing, it was like, he was like, he saw, he was like flying in the air, and he saw Gohan laying on the top of a mountain, and he was like, okay, I guess I'll give him some food and a sword.

00:51:51.266 --> 00:51:53.026

Joshua: Is that what happens in the show?

00:51:53.046 --> 00:51:53.666

Diego: A sword?

00:51:53.666 --> 00:51:54.086

Diego: No.

00:51:54.646 --> 00:51:56.066

Diego: He does feed him once or twice.

00:51:59.466 --> 00:52:00.746

Diego: Only once or twice.

00:52:00.766 --> 00:52:01.166

Joshua: A year.

00:52:01.186 --> 00:52:04.446

Joshua: It took a year for the saints to get there.

00:52:04.466 --> 00:52:04.686

Diego: Yeah.

00:52:05.366 --> 00:52:12.506

Diego: But listen, the interesting thing though, is that he does protect them, and he shows that he made an emotional connection with them later.

00:52:13.326 --> 00:52:16.026

Diego: He steps in the line to save them, I think, once or twice.

00:52:16.106 --> 00:52:18.806

Joshua: And then Gohan gets an epic Piccolo outfit.

00:52:19.026 --> 00:52:19.406

Diego: Yeah.

00:52:20.186 --> 00:52:23.226

Diego: And then there's a point where Gohan ends up training with him again.

00:52:23.246 --> 00:52:26.646

Diego: I think it's when he's a teenager, maybe in preparation for Sel's arrival.

00:52:27.326 --> 00:52:28.026

Diego: Something like that.

00:52:28.226 --> 00:52:34.606

Diego: And he actually is given the gear, the type of gear that Piccolo wears.

00:52:35.306 --> 00:52:39.326

Diego: So Piccolo, whether you want to or not, became a father figure for Gohan.

00:52:39.386 --> 00:52:41.706

Joshua: That's what Gohan was wearing when he beat Sel, right?

00:52:41.726 --> 00:52:42.346

Diego: Yeah, it was.

00:52:43.246 --> 00:52:44.526

Diego: Yeah.

00:52:44.546 --> 00:52:47.386

Diego: So really interesting, that whole relationship there with Piccolo and Gohan.

00:52:47.406 --> 00:52:51.626

Diego: Now, also from the Dragon Ball Universe, is Vegeta and Trunks.

00:52:51.986 --> 00:52:53.926

Diego: Anything with Vegeta is like complicated.

00:52:53.946 --> 00:52:57.726

Diego: The fact that Vegeta has a family is the weirdest thing in the world.

00:52:58.546 --> 00:53:08.406

Diego: But he does, and somehow he manages to get Cheechie to love him.

00:53:09.066 --> 00:53:12.206

Diego: But with Trunks, it never quite gets to that point.

00:53:12.466 --> 00:53:17.066

Diego: There is no love, I don't think, really between those two.

00:53:17.586 --> 00:53:18.986

Joshua: Not at least.

00:53:19.626 --> 00:53:24.406

Joshua: I wouldn't say that there's none, but there's definitely not a lot.

00:53:25.206 --> 00:53:29.246

Diego: I've seen him show more love for Bulma in a way than for Trunks.

00:53:29.746 --> 00:53:30.186

Joshua: Really?

00:53:30.686 --> 00:53:35.106

Diego: Yeah, dude went up against Beerus because he smacked Bulma.

00:53:36.806 --> 00:53:43.466

Diego: He almost went up a level of Super Saiyan because they smacked up his woman.

00:53:44.746 --> 00:53:44.946

Joshua: Dang.

00:53:46.426 --> 00:53:48.046

Diego: Vegeta does love Bulma, for sure.

00:53:48.106 --> 00:53:50.226

Diego: But Trunks, I don't know.

00:53:50.306 --> 00:53:50.906

Diego: Sorry, kid.

00:53:51.766 --> 00:53:55.926

Diego: Anyway, let's move away from Dragon Ball and talk a little bit about MHA.

00:53:57.526 --> 00:54:03.246

Joshua: Yeah, so MHA is, as some of you might know, good.

00:54:03.266 --> 00:54:05.266

Diego: Tis.

00:54:05.766 --> 00:54:08.186

Joshua: So, it's All Might and Deku.

00:54:08.966 --> 00:54:09.346

Diego: Yeah.

00:54:09.366 --> 00:54:11.166

Joshua: All Might and Deku.

00:54:11.166 --> 00:54:13.006

Joshua: Deku's dad is never really present.

00:54:13.506 --> 00:54:17.146

Joshua: There are some theories that all for one is his actual dad.

00:54:17.366 --> 00:54:18.086

Diego: Whoa, really?

00:54:18.326 --> 00:54:18.746

Joshua: Yeah.

00:54:19.346 --> 00:54:21.286

Diego: Well, I hadn't actually thought about that.

00:54:21.306 --> 00:54:22.046

Diego: He's not around.

00:54:22.066 --> 00:54:22.546

Diego: His dad.

00:54:22.566 --> 00:54:24.046

Joshua: Yeah, his dad is never around.

00:54:26.506 --> 00:54:28.606

Joshua: And it said specifically that he's not dead.

00:54:29.286 --> 00:54:29.726

Diego: Really?

00:54:29.786 --> 00:54:30.186

Joshua: Yeah.

00:54:30.206 --> 00:54:30.806

Diego: Who said that?

00:54:31.126 --> 00:54:31.886

Diego: What did they say?

00:54:31.926 --> 00:54:32.586

Joshua: In the show.

00:54:33.406 --> 00:54:34.186

Joshua: His mom said that.

00:54:34.526 --> 00:54:37.406

Diego: Oh, I always figured she was like, she was a widow or something.

00:54:37.586 --> 00:54:45.586

Joshua: Yeah, and so there's some theories because there's like, what's this called?

00:54:45.646 --> 00:54:48.646

Joshua: My Hero Academia is heavily inspired by Star Wars.

00:54:49.026 --> 00:54:51.666

Joshua: Like there's literally a place called Tatooine.

00:54:52.406 --> 00:54:52.766

Diego: Really?

00:54:54.306 --> 00:54:58.546

Joshua: And so there's like a bunch of theories that all for one is his real father.

00:54:58.706 --> 00:54:59.066

Diego: Yeah.

00:54:59.186 --> 00:55:01.646

Joshua: And that's why he's never around and stuff.

00:55:01.966 --> 00:55:02.366

Diego: Huh.

00:55:02.726 --> 00:55:04.106

Diego: Oh, that'd be interesting, man.

00:55:04.306 --> 00:55:04.726

Joshua: Yeah.

00:55:05.546 --> 00:55:06.226

Diego: Interesting.

00:55:08.226 --> 00:55:11.026

Diego: The main story hasn't finished in the manga, right?

00:55:11.626 --> 00:55:15.726

Joshua: It has not, but it's way ahead of the show at this point.

00:55:16.186 --> 00:55:18.346

Joshua: Like Deku has like five new quirks.

00:55:19.446 --> 00:55:22.686

Joshua: From like all the other past ancestors of one for all.

00:55:22.906 --> 00:55:23.486

Diego: That's cool.

00:55:23.986 --> 00:55:27.526

Diego: But yeah, in the meantime, All Might definitely kind of stepped in.

00:55:27.706 --> 00:55:28.086

Joshua: Yeah.

00:55:28.086 --> 00:55:30.026

Diego: You know, to be a father figure for him.

00:55:30.046 --> 00:55:34.966

Diego: And I feel like Deku probably feels that way, right?

00:55:34.986 --> 00:55:36.186

Diego: He feels him like that.

00:55:36.526 --> 00:55:36.866

Joshua: Yeah.

00:55:37.106 --> 00:55:38.706

Diego: I mean, he's protected him.

00:55:38.726 --> 00:55:40.346

Diego: He's stood up for him.

00:55:40.666 --> 00:55:41.506

Diego: He's tried to...

00:55:41.566 --> 00:55:43.486

Diego: He's taught him, spent time with him.

00:55:45.146 --> 00:55:50.006

Diego: He definitely didn't have to share, pass on his quirk to him.

00:55:50.346 --> 00:55:52.226

Joshua: He did not have to, I don't know.

00:55:52.346 --> 00:55:53.406

Diego: Yeah, but he did.

00:55:53.426 --> 00:55:56.506

Joshua: He kind of had to do it for somebody.

00:55:56.886 --> 00:55:57.646

Diego: He did, right.

00:55:57.666 --> 00:56:02.086

Diego: But I think one can argue that he could have given it to somebody who was already super powered, right?

00:56:02.206 --> 00:56:06.086

Joshua: Yeah, I mean, he said that he was thinking about giving it to Mirio.

00:56:06.546 --> 00:56:07.026

Diego: Oh, really?

00:56:07.966 --> 00:56:09.306

Diego: Oh, man, that would have made sense.

00:56:10.786 --> 00:56:11.846

Diego: A lot more sense.

00:56:12.206 --> 00:56:13.246

Joshua: Yeah.

00:56:13.266 --> 00:56:14.466

Diego: But yeah, anyway, that's it.

00:56:14.666 --> 00:56:21.766

Diego: I feel like it's a pretty sweet relationship because in the same way that, I don't know, who can I compare it to?

00:56:22.246 --> 00:56:23.166

Diego: Kind of like Piccolo.

00:56:23.566 --> 00:56:24.246

Joshua: Yeah.

00:56:24.906 --> 00:56:26.446

Diego: Because they're voiced by the same guy.

00:56:26.626 --> 00:56:29.766

Joshua: They are, and Vegeta, right?

00:56:30.426 --> 00:56:31.326

Diego: Oh, yeah, yeah.

00:56:31.366 --> 00:56:34.046

Joshua: Vegeta, I didn't know that Vegeta and Piccolo are voiced by the same guy.

00:56:34.386 --> 00:56:35.686

Diego: Yeah, I guess it's kind of...

00:56:36.266 --> 00:56:38.706

Diego: It's the difference between like, Hey, Goku!

00:56:38.726 --> 00:56:40.386

Diego: versus, Hey, Goku!

00:56:41.766 --> 00:56:48.066

Diego: But anyway, we've got another one that is actually biological father and child.

00:56:48.306 --> 00:56:53.006

Joshua: Yeah, we have Endeavor and Shota Todoroki.

00:56:53.426 --> 00:56:54.946

Joshua: This is a complicated one.

00:56:54.966 --> 00:57:04.866

Diego: Endeavor is right up there with like, Thanos, as far as, you know, not really deserving Father of the Year Awards.

00:57:04.866 --> 00:57:10.706

Joshua: I feel like parenting wise, he's kind of a little bit like, now he's like Vegeta.

00:57:10.726 --> 00:57:11.786

Diego: Yeah, actually more like Vegeta.

00:57:11.806 --> 00:57:12.906

Joshua: Now he's like Vegeta.

00:57:12.926 --> 00:57:13.306

Diego: Right.

00:57:13.526 --> 00:57:16.466

Joshua: Before, he was like horrible.

00:57:17.186 --> 00:57:20.246

Joshua: Now, he's only like a little bit bad.

00:57:20.366 --> 00:57:25.926

Diego: Yeah, and the implications with Endeavor are that like he's been physically abusive with like his wife and kids.

00:57:25.946 --> 00:57:28.966

Joshua: To like everybody in his family, except for like some of his kids.

00:57:29.006 --> 00:57:31.526

Diego: Yeah, so that's a tough one to get past.

00:57:31.686 --> 00:57:35.306

Joshua: Yeah, but he's getting better, and I always definitely get him better.

00:57:36.186 --> 00:57:44.646

Diego: And this is another one of those scenarios where like, it kind of like reminds me of Omni Man and Mark, but in reverse.

00:57:45.486 --> 00:57:51.066

Diego: Where he begins with like, you know, Todoroki being like, I don't want anything to do with this guy.

00:57:52.346 --> 00:57:55.426

Diego: But then clearly Endeavor has been evolving.

00:57:55.986 --> 00:57:56.426

Joshua: Yeah.

00:57:56.446 --> 00:58:02.846

Diego: You know, his heart has been softening, and he's starting to like deal probably with like the guilt of his abuse towards his family.

00:58:03.746 --> 00:58:13.106

Diego: And so like now that he's the number one, you have this conflict of like, you know, but here he is, he really is a hero, you know, so.

00:58:13.106 --> 00:58:14.746

Joshua: Yes, he's actually a hero now.

00:58:14.766 --> 00:58:19.666

Joshua: Like people actually are kind of scared of the fact that he's like talking to people.

00:58:19.706 --> 00:58:20.226

Diego: Right.

00:58:21.006 --> 00:58:35.966

Diego: And it really is like even like us as fans, for me as a fan, when I started seeing him actually acting heroic and like wondering to himself, how do I fit this role of a symbol of hope that All Might has been?

00:58:37.126 --> 00:58:42.846

Diego: And you see him actually making an effort and then you see him like actually going all out in battles and stuff and like risking his life.

00:58:42.866 --> 00:58:44.746

Diego: It's like really, it's been really impressive.

00:58:44.906 --> 00:58:50.346

Joshua: Also, you can see that he's actually starting to care a little bit about...

00:58:53.026 --> 00:58:54.206

Joshua: No, what's his name?

00:58:54.906 --> 00:58:56.066

Joshua: I forgot, Dobby.

00:58:56.246 --> 00:58:57.186

Joshua: What's this guy's name?

00:58:58.626 --> 00:58:59.006

Diego: Dobby?

00:58:59.766 --> 00:59:01.606

Joshua: Dobby's name before he was Dobby.

00:59:01.726 --> 00:59:02.326

Joshua: I forget.

00:59:04.206 --> 00:59:08.466

Joshua: But like Dobby, it's like official that he was a member of the family and all that.

00:59:09.166 --> 00:59:12.406

Joshua: And so people are like...

00:59:13.366 --> 00:59:19.846

Joshua: Endeavor is actually starting to care about Dobby before he was Dobby.

00:59:20.506 --> 00:59:37.966

Joshua: And like he's starting to wonder and stuff, and he's like actually sorry for what he did to him and how he gave him black hair by physical abuse and training him so hard that he burned him.

00:59:38.606 --> 00:59:39.746

Joshua: Yikes, really?

00:59:39.766 --> 00:59:42.786

Joshua: And that's why he needs staples on his skin, Dobby.

00:59:43.086 --> 00:59:43.746

Joshua: What?

00:59:43.946 --> 00:59:44.386

Joshua: Yeah.

00:59:44.546 --> 00:59:45.546

Diego: Damn, it's dark.

00:59:46.006 --> 00:59:46.366

Joshua: Yeah.

00:59:46.826 --> 00:59:49.046

Diego: Wait, have I missed that episode of the show or something?

00:59:49.306 --> 00:59:53.426

Joshua: No, no, they revealed it in the manga, but it's kind of common knowledge now.

00:59:54.706 --> 00:59:56.306

Diego: Wow, damn, that's dark.

00:59:56.686 --> 00:59:57.526

Diego: Yeah.

00:59:57.546 --> 01:00:00.826

Diego: But anyway, yeah, there you go, Endeavor and Todoroki.

01:00:00.846 --> 01:00:05.086

Diego: And there is one more father figure relationship that's starting to emerge.

01:00:05.346 --> 01:00:12.726

Joshua: Yeah, Aizawa and Eri, they haven't shown too much of it on screen, but we know that Aizawa is kind of taking care of Eri now.

01:00:13.386 --> 01:00:19.126

Joshua: So there's definitely going to be some stuff that's going to be coming up in the new season or something.

01:00:19.246 --> 01:00:19.946

Diego: That's pretty cool.

01:00:20.006 --> 01:00:20.726

Diego: That's interesting.

01:00:20.786 --> 01:00:24.726

Diego: I mean, anything to evolve the character of Aizawa.

01:00:25.266 --> 01:00:25.826

Joshua: Yeah.

01:00:25.846 --> 01:00:28.206

Diego: He's actually, to me, he's a very interesting character.

01:00:28.826 --> 01:00:31.166

Joshua: We met, I was there.

01:00:31.386 --> 01:00:32.086

Joshua: We saw him.

01:00:32.206 --> 01:00:33.466

Joshua: His voice actor there.

01:00:33.486 --> 01:00:37.406

Diego: We met the voice actor over at Megacom for him and for...

01:00:37.686 --> 01:00:38.166

Joshua: Dobby's.

01:00:38.326 --> 01:00:39.266

Diego: And for Dobby, yeah.

01:00:39.586 --> 01:00:40.706

Joshua: I was so close.

01:00:40.726 --> 01:00:43.706

Joshua: I was one person away from asking him a question.

01:00:43.826 --> 01:00:44.526

Diego: Oh, man.

01:00:44.946 --> 01:00:48.246

Diego: That's why I'm so glad that you got to talk to Sean Chameleon.

01:00:48.326 --> 01:00:48.646

Joshua: Yeah.

01:00:48.726 --> 01:00:50.146

Diego: Yeah, that was really cool, man.

01:00:50.166 --> 01:00:51.346

Joshua: It's on their YouTube.

01:00:51.626 --> 01:00:52.306

Diego: Yes, it is.

01:00:52.326 --> 01:00:52.986

Diego: Go check it out.

01:00:53.686 --> 01:00:55.046

Diego: All right.

01:00:56.366 --> 01:01:02.986

Diego: The next half of the anime list is really like on you because these are...

01:01:04.746 --> 01:01:05.746

Diego: So dive into it.

01:01:05.766 --> 01:01:07.966

Diego: Let's start off with the world of Naruto.

01:01:08.506 --> 01:01:08.886

Joshua: Okay.

01:01:09.786 --> 01:01:10.346

Joshua: Naruto.

01:01:10.386 --> 01:01:11.626

Joshua: Naruto and Boruto.

01:01:11.986 --> 01:01:13.926

Joshua: I'm going to be honest, Boruto is kind of bad.

01:01:15.026 --> 01:01:16.326

Joshua: Like the show is bad.

01:01:16.626 --> 01:01:17.226

Diego: Oh, really?

01:01:17.406 --> 01:01:17.826

Joshua: Yeah.

01:01:18.526 --> 01:01:20.746

Joshua: I mean, a lot of people think that, including myself.

01:01:21.066 --> 01:01:21.386

Diego: Huh.

01:01:22.446 --> 01:01:27.966

Joshua: But Naruto and Boruto is an interesting relationship because Naruto doesn't seem to...

01:01:29.626 --> 01:01:31.666

Joshua: I mean, he obviously loves his kids.

01:01:31.686 --> 01:01:32.546

Joshua: Yes, he has two.

01:01:33.246 --> 01:01:34.266

Joshua: Boruto and Himawari.

01:01:35.086 --> 01:01:38.726

Joshua: And he seems to care.

01:01:39.126 --> 01:01:40.026

Joshua: He's two...

01:01:41.346 --> 01:01:50.166

Joshua: His hokage duties as the leader of the village are a really big burden, so he doesn't have that much time to actually...

01:01:50.566 --> 01:01:51.466

Joshua: Kind of like Goku.

01:01:52.286 --> 01:01:56.526

Joshua: He doesn't have that much time to like spend time with his kids and all that and stuff.

01:01:56.846 --> 01:02:02.606

Joshua: So like whenever he gets home from all of his hokage duties, he like always just like passes out and stuff.

01:02:03.186 --> 01:02:11.666

Diego: That seems to be actually a very common trait with fathers in the traditional Japanese culture.

01:02:11.826 --> 01:02:12.226

Joshua: Yeah.

01:02:12.366 --> 01:02:21.386

Diego: There's like a really strong sense of that the father, the head of the household is supposed to be fully dedicated and submerged in work to supply for his family.

01:02:21.686 --> 01:02:25.106

Diego: But that results in like fathers not being present, you know, for his kids.

01:02:25.266 --> 01:02:25.586

Joshua: Yeah.

01:02:27.086 --> 01:02:28.306

Joshua: Minato and Naruto.

01:02:28.326 --> 01:02:29.946

Joshua: Minato is Naruto's dad.

01:02:30.886 --> 01:02:33.566

Joshua: And so this is actually kind of sad.

01:02:33.666 --> 01:02:34.466

Diego: When do you meet him?

01:02:35.066 --> 01:02:35.906

Diego: When do you meet him?

01:02:36.686 --> 01:02:39.566

Joshua: In the second show, Naruto Shippuden.

01:02:40.726 --> 01:02:43.686

Joshua: He like gets reanimated.

01:02:44.566 --> 01:02:45.246

Diego: Oh, he had died?

01:02:45.726 --> 01:02:46.146

Joshua: Oh, yeah.

01:02:48.686 --> 01:02:50.786

Joshua: He died fighting the nine-tailed fox.

01:02:51.086 --> 01:02:53.366

Joshua: Oh, damn.

01:02:54.126 --> 01:02:56.226

Joshua: In sealing the nine-tailed fox into Naruto.

01:02:56.566 --> 01:02:57.486

Diego: Oh, that's what he did?

01:02:57.586 --> 01:02:57.986

Joshua: Yeah.

01:02:58.506 --> 01:03:00.586

Joshua: That's why Naruto has a spirit.

01:03:00.866 --> 01:03:01.326

Diego: Oh, wow.

01:03:01.446 --> 01:03:02.966

Joshua: And so it's kind of like...

01:03:02.986 --> 01:03:04.206

Diego: So his dad was a warrior, too?

01:03:04.626 --> 01:03:07.906

Joshua: Yeah, his dad was actually one of the Hokages before Naruto was.

01:03:08.066 --> 01:03:09.086

Diego: Oh, cool.

01:03:09.106 --> 01:03:10.326

Joshua: One of the leaders of the village.

01:03:12.426 --> 01:03:17.606

Joshua: And so I saw it and it was like Kakashi's dad.

01:03:18.246 --> 01:03:24.026

Joshua: It was like he kind of like died before he could ever really like take that much care of Kakashi.

01:03:24.786 --> 01:03:32.546

Joshua: And then Naruto's dad, he sealed a nine-tailed demon spirit inside of his son and then committed suicide.

01:03:33.046 --> 01:03:33.506

Diego: Wow.

01:03:33.586 --> 01:03:37.826

Joshua: Well, I mean, like, he basically made himself die.

01:03:39.306 --> 01:03:46.046

Joshua: Yeah, and he didn't take care of his son that much until he finally like met his son when he got reanimated.

01:03:46.786 --> 01:03:48.446

Joshua: And then, yeah, a lot of-

01:03:48.466 --> 01:03:50.426

Diego: Does it come back as villain, hero, or what?

01:03:50.446 --> 01:03:50.806

Joshua: Hero.

01:03:50.966 --> 01:03:54.066

Joshua: They were, it was in the war arc, I believe.

01:03:54.346 --> 01:03:54.666

Diego: Okay.

01:03:54.786 --> 01:04:02.406

Joshua: Where there was like a big, huge war between like all the nations against this one villain and stuff, and it was like a big thing.

01:04:03.086 --> 01:04:05.266

Joshua: So yeah, that's, yeah.

01:04:05.406 --> 01:04:11.486

Diego: So is there ever like a reconciliation as far as like, you know, father-son, or is that not even touchstone?

01:04:12.906 --> 01:04:13.246

Joshua: I guess-

01:04:13.266 --> 01:04:15.846

Diego: Is Naru too angry at him, anything?

01:04:15.866 --> 01:04:20.706

Joshua: He kind of was at the beginning, but they kind of, you know.

01:04:20.786 --> 01:04:25.786

Diego: Because I imagine if you discover that there's a demon entity that I hid within you.

01:04:26.286 --> 01:04:26.726

Joshua: Yeah.

01:04:26.746 --> 01:04:30.946

Diego: Trapped inside you, you're probably, at some point, you're going to get kind of angry at me.

01:04:33.526 --> 01:04:35.966

Joshua: So that's Naruto and Naruto.

01:04:36.646 --> 01:04:40.826

Joshua: The next one is definitely more wholesome.

01:04:42.086 --> 01:04:44.146

Joshua: It's Kakashi and Team 7.

01:04:44.266 --> 01:04:48.506

Joshua: Kakashi and Naruto and Sakura and Sasuke.

01:04:48.866 --> 01:04:51.486

Joshua: I remember we started watching Naruto together.

01:04:52.046 --> 01:04:56.386

Joshua: And we got it to like the part where they were doing like the exam things.

01:04:56.466 --> 01:04:57.306

Diego: Yeah, I remember that.

01:05:00.466 --> 01:05:01.426

Diego: Is Kakashi...

01:05:01.526 --> 01:05:06.606

Diego: No, Kakashi is like more important to them than like Aizawa is as their teacher in MHA, right?

01:05:07.166 --> 01:05:07.626

Joshua: He's...

01:05:09.566 --> 01:05:10.006

Joshua: Yeah.

01:05:10.386 --> 01:05:14.706

Joshua: He's a bit more important because Kakashi actually like goes on missions with them.

01:05:14.726 --> 01:05:15.666

Diego: Okay, yeah.

01:05:15.686 --> 01:05:16.126

Joshua: And stuff.

01:05:16.706 --> 01:05:20.646

Joshua: So I love Kakashi, one of my favorite characters in all anime.

01:05:21.606 --> 01:05:26.126

Joshua: So he kind of became one of their father figures when...

01:05:26.586 --> 01:05:29.926

Joshua: After, because first of all, Nartle doesn't have any parents.

01:05:31.146 --> 01:05:35.786

Joshua: And then Sasuke doesn't have any parents because his brother murders his whole clan.

01:05:36.706 --> 01:05:37.266

Joshua: And so...

01:05:37.366 --> 01:05:39.546

Joshua: And Sakura has parents, but like they don't really matter.

01:05:39.746 --> 01:05:40.146

Joshua: They don't...

01:05:40.566 --> 01:05:41.446

Joshua: They don't care either.

01:05:43.226 --> 01:05:47.506

Joshua: And so Kakashi had to kind of like take on this like fatherly...

01:05:48.106 --> 01:05:49.806

Joshua: Fatherly figure for them.

01:05:49.906 --> 01:05:50.286

Diego: Right.

01:05:50.546 --> 01:05:51.586

Joshua: And he like...

01:05:51.606 --> 01:05:52.906

Joshua: He cares about them a lot.

01:05:53.646 --> 01:05:56.486

Joshua: And especially as it goes on, you see that more and more and more.

01:05:57.806 --> 01:05:59.946

Joshua: So it's a really interesting relationship.

01:06:00.546 --> 01:06:02.026

Joshua: And it's pretty fun too.

01:06:02.086 --> 01:06:03.466

Joshua: He's actually pretty funny.

01:06:05.326 --> 01:06:08.246

Diego: So let's hop into where we're going now.

01:06:08.986 --> 01:06:11.106

Joshua: Madara and Obito.

01:06:11.886 --> 01:06:13.646

Joshua: This is still Naruto, by the way.

01:06:14.046 --> 01:06:14.446

Diego: Okay.

01:06:16.346 --> 01:06:23.486

Joshua: And I feel like this is definitely one of those like Silco and Jinx type things.

01:06:24.286 --> 01:06:28.046

Joshua: Where like they, he kind of turned him evil.

01:06:29.186 --> 01:06:38.446

Joshua: And so Obito, just to like put it into a whole, like just to put into like bite-sized story, he got crushed by a boulder.

01:06:39.406 --> 01:06:47.726

Joshua: And so Madara found him and kind of like raised him and like rehabilitated him or whatever.

01:06:48.626 --> 01:06:50.286

Joshua: And made him like fine again.

01:06:50.666 --> 01:06:53.086

Joshua: And he did this for like a couple years.

01:06:53.666 --> 01:07:00.226

Joshua: And then Obito was actually on a team with Kakashi before he got crushed by the boulder.

01:07:00.766 --> 01:07:03.746

Joshua: And so the whole thing like Madara was like raising him and all that.

01:07:04.306 --> 01:07:09.246

Joshua: And then Obito, Madara told Obito that Kakashi was in trouble.

01:07:09.906 --> 01:07:11.986

Diego: There's also a Kakashi in this?

01:07:13.026 --> 01:07:14.086

Joshua: Yeah, it's the same Kakashi.

01:07:15.486 --> 01:07:17.566

Diego: Oh, Madara and Obito are also from Naruto?

01:07:17.586 --> 01:07:18.806

Joshua: Yeah, this is Naruto still.

01:07:20.566 --> 01:07:31.906

Joshua: And so basically Obito like went over and then he saw Kakashi like killing his crush because like she forced him to do it.

01:07:31.926 --> 01:07:32.846

Joshua: It's complicated.

01:07:32.866 --> 01:07:34.126

Diego: Sounds like it.

01:07:34.306 --> 01:07:34.726

Joshua: Yeah.

01:07:35.066 --> 01:07:41.206

Joshua: But then the real thing that happened, like the end of that relationship is in the whole war arc.

01:07:41.486 --> 01:07:41.826

Diego: Right.

01:07:43.046 --> 01:07:54.866

Joshua: And it's where Madara is like kind of like trying to like take over and like gain all the chakra from everybody with the whole infinite Tsukuyomi thing.

01:07:55.346 --> 01:08:08.826

Joshua: And basically Obito, well, another character kills Madara, and then Madara, the whole thing gets like lifted, but then Obito actually sacrifices himself.

01:08:09.646 --> 01:08:12.946

Joshua: For because he turned good again, which was kind of random.

01:08:13.726 --> 01:08:20.126

Joshua: But because Naruto, whenever Naruto talks to somebody in the Naruto universe, he always just like turns them good again.

01:08:20.146 --> 01:08:21.946

Joshua: He uses like talking to do to thing.

01:08:22.786 --> 01:08:26.006

Joshua: And yeah, he has some kind of mystical superpowers.

01:08:27.106 --> 01:08:29.486

Joshua: But yeah, Obito got redeemed and all that.

01:08:29.486 --> 01:08:32.526

Joshua: It's a really interesting story, but it's kind of hard to explain.

01:08:32.546 --> 01:08:38.326

Diego: I mean, it's a reason why to explain to you multiple episodes.

01:08:40.906 --> 01:08:44.606

Diego: And the last stop within the anime list is from the world of Attack on Titan.

01:08:45.246 --> 01:08:48.166

Joshua: Yes, I'm getting nervous.

01:08:48.186 --> 01:08:49.226

Joshua: I'm getting stage fright.

01:08:50.046 --> 01:08:50.406

Diego: Why?

01:08:50.426 --> 01:08:56.166

Joshua: I'm having to like do like a whole stand up thing over here by myself.

01:08:56.586 --> 01:08:57.306

Diego: I believe in you.

01:08:57.466 --> 01:08:58.746

Joshua: So Grisha and Aaron.

01:08:59.066 --> 01:09:02.226

Joshua: Aaron, you are a very good father.

01:09:04.826 --> 01:09:07.106

Diego: Yeah, no abuse here.

01:09:07.126 --> 01:09:08.946

Joshua: Oh, well, well.

01:09:11.526 --> 01:09:12.666

Diego: By the way, I owe you.

01:09:12.846 --> 01:09:13.766

Diego: I like your cut.

01:09:14.366 --> 01:09:14.926

Joshua: Oh, God.

01:09:15.906 --> 01:09:18.906

Diego: I told you I was going to charge it from you on Father's Day.

01:09:18.926 --> 01:09:21.026

Diego: So praise yourself, son.

01:09:21.926 --> 01:09:23.466

Joshua: So Grisha and Aaron.

01:09:25.126 --> 01:09:29.246

Joshua: There's so much like mispronunciation in the Attack on Titan community.

01:09:29.686 --> 01:09:32.686

Joshua: People pronounce names so much so differently.

01:09:33.286 --> 01:09:35.926

Joshua: But I'm just going to say Grisha because that's how I like to say it.

01:09:36.546 --> 01:09:38.666

Joshua: So Grisha is Aaron's father.

01:09:39.386 --> 01:09:44.346

Joshua: And Aaron actually like, you know, he was like kind of the main character in the first three seasons.

01:09:45.466 --> 01:09:51.386

Joshua: And it's interesting because for Aaron, Grisha actually took like a lot of care.

01:09:51.406 --> 01:09:54.826

Joshua: He cared a lot about Aaron and he cared a lot about his family and all that.

01:09:55.646 --> 01:10:00.966

Joshua: And so it was kind of like the day that the kingdom got attacked.

01:10:01.986 --> 01:10:08.786

Joshua: Grisha, he like killed a whole family to get a Titan powers.

01:10:09.506 --> 01:10:17.446

Joshua: And so then he forced Aaron to eat him so that he could get those Titan powers.

01:10:18.926 --> 01:10:20.646

Diego: Wow, that all sounds extremely weird.

01:10:20.726 --> 01:10:21.126

Joshua: Yeah.

01:10:21.146 --> 01:10:24.766

Diego: And this is why I don't watch Attack on Titan.

01:10:24.906 --> 01:10:27.366

Diego: So he's not a good father figure.

01:10:28.946 --> 01:10:34.386

Joshua: He was kind of a good father to Aaron until that point in his life.

01:10:35.546 --> 01:10:41.866

Joshua: And then with Zeke, his other son, he didn't really care that much about Zeke.

01:10:42.286 --> 01:11:01.766

Joshua: And the reason that he was trying to spend so much time with Aaron and the rest of his family was because he learned his mistakes from not really caring that much about Zeke because Zeke actually sold him out to the government because he was doing secret stuff that is too complicated for me to get into right now.

01:11:02.026 --> 01:11:08.686

Joshua: And so he sold him out, and then he realized, oh, I should actually care about my children if I ever have any other again.

01:11:09.446 --> 01:11:15.566

Joshua: And so they exiled him, and then he got sent to the place where Aaron was born.

01:11:16.586 --> 01:11:17.906

Joshua: And then he had that whole family.

01:11:18.186 --> 01:11:20.306

Joshua: And yeah, it's a whole thing.

01:11:20.386 --> 01:11:22.846

Joshua: He's trying to learn from his mistakes and all that.

01:11:24.106 --> 01:11:25.446

Joshua: Yeah, yeah, Grisha.

01:11:25.766 --> 01:11:29.006

Diego: So is there any redemption for the character by the end of the thing?

01:11:33.066 --> 01:11:33.306

Joshua: I...

01:11:35.346 --> 01:11:36.606

Diego: Is that enough to redeem?

01:11:36.726 --> 01:11:37.586

Joshua: Not enough.

01:11:37.686 --> 01:11:38.526

Joshua: Yeah, not enough.

01:11:38.786 --> 01:11:39.106

Diego: Right.

01:11:39.726 --> 01:11:41.406

Diego: Yeah, there's a lot of characters like that.

01:11:41.666 --> 01:11:43.446

Joshua: Thank you for listening to my TED Talk.

01:11:43.886 --> 01:11:49.166

Diego: Yeah, Jesus, man, you really did a whole recap of the whole storyline.

01:11:49.186 --> 01:11:50.586

Joshua: What was I supposed to do?

01:11:50.666 --> 01:11:52.806

Joshua: You didn't know anything about these topics.

01:11:52.826 --> 01:11:53.546

Diego: That's true.

01:11:53.566 --> 01:11:54.366

Diego: You've learned to me.

01:11:54.446 --> 01:11:54.886

Diego: Thank you.

01:11:55.826 --> 01:11:58.006

Diego: Now we're hopping into a completely different world.

01:11:58.246 --> 01:11:58.926

Joshua: Wrestling.

01:11:59.046 --> 01:12:00.486

Diego: Yeah, that's the world of wrestling.

01:12:01.266 --> 01:12:03.086

Diego: So, wrestling is definitely...

01:12:03.106 --> 01:12:08.026

Diego: Like, these people are quite literally putting their bodies in harm's way to entertain people.

01:12:08.046 --> 01:12:11.506

Diego: So, there's a very real element of the physicality to wrestling.

01:12:12.126 --> 01:12:24.286

Diego: But there is, of course, it's no longer a mystery that wrestling is scripted, the storylines are scripted, even the series of moves that are going to happen within a match, as real as the moves might be in some cases, are all scripted.

01:12:24.866 --> 01:12:25.326

Joshua: Are they?

01:12:25.506 --> 01:12:26.926

Joshua: Yeah, absolutely.

01:12:27.226 --> 01:12:38.526

Joshua: You told me that they just kind of like, they give them the big points for the script, but then the rest of the actual fight is kind of improv.

01:12:38.646 --> 01:12:39.426

Diego: Not exactly.

01:12:39.446 --> 01:12:45.446

Diego: Well, it's improv in the sense that as they're in the ring, they're communicating with each other, the two wrestlers.

01:12:46.046 --> 01:12:50.906

Diego: And so they're telling each other, you know, like, for example, let's say one of them slimes the other one down on the mat.

01:12:51.246 --> 01:12:56.546

Diego: While they're down on the mat and the one is like in pain or whatever, they're talking to each other.

01:12:56.566 --> 01:13:02.006

Diego: While they're trying to pin each one, they're trying to pin the other, they're communicating, like kind of whispering to each other.

01:13:02.026 --> 01:13:06.126

Diego: And being like, okay, you get up, you know, go bounce off the ropes and hit me with a suplex.

01:13:06.766 --> 01:13:07.386

Diego: That sort of thing.

01:13:07.586 --> 01:13:12.166

Joshua: How do you bounce off the ropes and do a suplex on someone?

01:13:12.346 --> 01:13:13.886

Diego: They've managed to do it many times.

01:13:17.526 --> 01:13:24.466

Diego: Anyway, the point is that storytelling is an element within wrestling, you know, within professional wrestling.

01:13:24.486 --> 01:13:40.046

Diego: And so within those storylines, there have been multi-generational people, you know, wrestlers, who have, their fathers have wrestled before them, or grandfathers, or uncles, or whatever, and they have continued on that legacy.

01:13:40.566 --> 01:13:45.866

Diego: In most cases, though, they kind of build their own legacy and spin off and do their own thing.

01:13:46.306 --> 01:13:46.586

Joshua: Yeah.

01:13:46.806 --> 01:13:52.866

Diego: But in some cases, the storylines continue to kind of like intertwine between father and children.

01:13:53.446 --> 01:13:56.946

Diego: And there's a couple of these that I feel are really important to mention.

01:13:56.966 --> 01:14:10.346

Diego: Number one, one that has, like, I feel has really stuck to the nature of the father, and that is the Ric Flair and Charlotte Flair connection.

01:14:11.206 --> 01:14:13.666

Diego: These are, you know, father and daughter in real life.

01:14:15.186 --> 01:14:23.966

Joshua: Yeah, you had me confused there because you were like the whole, you were saying like the whole dynamic with them being father and daughter in WWE and the storyline.

01:14:24.186 --> 01:14:26.126

Joshua: I was like, wait, they aren't father and daughter?

01:14:26.146 --> 01:14:34.626

Diego: Well, you know, they have their real relationship off camera, but then there's a fictionalized version of their relationship as well, you know, as father and daughter.

01:14:36.946 --> 01:14:39.746

Diego: Charlotte isn't even her real name, for example, right?

01:14:39.766 --> 01:14:42.226

Diego: Is Rick his real name?

01:14:42.246 --> 01:14:43.526

Diego: I think Rick is his real name.

01:14:43.926 --> 01:14:49.686

Diego: But Rick Flair relates to her on camera as Charlotte, and he talks about her as Charlotte.

01:14:49.706 --> 01:14:53.346

Diego: And if he's being interviewed and it's a kayfabe interview, then he's talking about it.

01:14:53.766 --> 01:14:58.726

Diego: He's referring to her as Charlotte, so they're in character most of the time.

01:14:59.306 --> 01:15:11.426

Diego: And within the world of being in character in kayfabe, Charlotte is, she has done an incredible job of like carrying on her father's legacy, her fictional father's legacy.

01:15:11.886 --> 01:15:16.146

Diego: She really has carried forth the swagger that he's had.

01:15:16.146 --> 01:15:17.306

Joshua: What's kayfabe?

01:15:17.606 --> 01:15:22.206

Diego: Kayfabe is a term in wrestling used to describe that element of fiction.

01:15:23.066 --> 01:15:27.706

Diego: So if you're giving a kayfabe interview, that means that you're doing it in character, right?

01:15:28.366 --> 01:15:31.046

Diego: Like you're not talking as the real you.

01:15:33.486 --> 01:15:41.686

Diego: Even to the point of like her entrance song has remained, I think up to this point, has remained kind of like a remakes version of his entrance song.

01:15:42.046 --> 01:15:53.086

Diego: Her clothing, her ring gear, is very much like a female version of Ric Flair's ring gear, the cockiness, the arrogance, all of that.

01:15:53.186 --> 01:15:59.206

Diego: And the fact that she is at her best when she's playing a heel, when she's a heel character, like a villain.

01:15:59.426 --> 01:16:00.546

Joshua: Has she ever played a...

01:16:00.946 --> 01:16:02.726

Diego: Oh yeah, she's been a babyface for sure.

01:16:03.326 --> 01:16:05.846

Diego: But her best work is as a heel, without a doubt.

01:16:05.886 --> 01:16:07.346

Diego: And the same thing as her father.

01:16:07.726 --> 01:16:10.646

Diego: Ric Flair's best work is as a heel, without a doubt.

01:16:11.166 --> 01:16:12.326

Joshua: Why do they call it heels?

01:16:12.366 --> 01:16:13.446

Joshua: I still don't get that.

01:16:13.466 --> 01:16:14.466

Diego: It's a heel turn.

01:16:14.486 --> 01:16:15.786

Diego: It comes from the word heel turn.

01:16:16.446 --> 01:16:20.206

Diego: So you're turning your character from being one thing to being the opposite.

01:16:20.566 --> 01:16:25.146

Diego: And so it's like if you get on your heels, you do a little pivot, you know, and turn on your heels.

01:16:25.466 --> 01:16:26.446

Diego: So it's a heel turn.

01:16:28.046 --> 01:16:34.526

Diego: So anyway, yeah, this one is by far one of the best that I've seen, and it just continues on, and there's no reason to stop it.

01:16:34.626 --> 01:16:40.806

Diego: She is a female version of Ric Flair, and even more improved for this time, for this day and time.

01:16:42.126 --> 01:16:44.786

Diego: And people love to hate her, as you're supposed to do with most heels.

01:16:46.126 --> 01:16:52.066

Diego: Another one that's like awesome, but in very different ways is Dusty.

01:16:52.486 --> 01:16:54.586

Diego: Dusty and his kids, Dustin and Cody.

01:16:55.486 --> 01:16:56.806

Diego: So Dusty Rhodes.

01:16:57.146 --> 01:16:58.146

Joshua: Oh, Dusty Rhodes.

01:16:59.366 --> 01:17:01.606

Diego: The American dream, Dusty Rhodes.

01:17:01.726 --> 01:17:04.166

Diego: One of the old school wrestlers.

01:17:04.186 --> 01:17:06.086

Diego: This guy wasn't a buff guy.

01:17:06.106 --> 01:17:14.766

Diego: He was always kind of like a chubby guy, and he had this polka dot kind of suit on, and he had this very flamboyant personality and stuff.

01:17:14.786 --> 01:17:18.266

Diego: And he became behind the scenes after he retired from wrestling in the ring.

01:17:19.126 --> 01:17:34.546

Diego: Behind the scenes, he became this just monumentally important father figure, training, mentor figure, to countless amounts of wrestlers throughout the years.

01:17:34.986 --> 01:17:36.046

Diego: All behind the scenes.

01:17:36.706 --> 01:17:44.206

Diego: Now we hear about it, because there's so much interview going on, showing non-K-Fabe, real interviews.

01:17:44.826 --> 01:17:49.506

Diego: There's so much being told now about what was happening behind the scenes for all these decades.

01:17:49.926 --> 01:17:54.966

Diego: And there's wrestlers, there's countless wrestlers talking about how instrumental Dusty Rhodes was for them.

01:17:55.366 --> 01:17:57.606

Diego: But he has two real life kids.

01:17:58.606 --> 01:18:04.466

Diego: And those are Dustin Rhodes, who is much better known as Goldust.

01:18:04.866 --> 01:18:06.706

Joshua: Oh yeah, he was Goldust.

01:18:06.966 --> 01:18:14.846

Diego: And so he was a child that he had and was not really present for.

01:18:15.186 --> 01:18:15.466

Joshua: Really?

01:18:15.746 --> 01:18:18.346

Diego: Yeah, this was like during the, you know, he had them.

01:18:18.366 --> 01:18:19.166

Diego: He was a Dusty.

01:18:19.186 --> 01:18:22.846

Diego: Dustin was like a kid while he was in the height of his career.

01:18:23.226 --> 01:18:28.646

Diego: So much like some other fathers that we've talked about, that they didn't have time for their kids because of their responsibilities.

01:18:28.866 --> 01:18:29.226

Joshua: Yeah.

01:18:29.246 --> 01:18:30.346

Diego: This is another case of that.

01:18:30.346 --> 01:18:33.846

Diego: And so there was like this distance between him and Dustin.

01:18:34.606 --> 01:18:40.386

Diego: But still, those who were in the know of the wrestling world knew that that was Dusty Rhodes kid, you know?

01:18:40.406 --> 01:18:40.666

Joshua: Yeah.

01:18:41.066 --> 01:18:43.146

Diego: But then comes Cody Rhodes.

01:18:43.506 --> 01:18:50.126

Diego: And Cody, he actually raised and was much more involvement because he was already like retired from wrestling.

01:18:50.146 --> 01:18:51.206

Joshua: Was Cody a wrestler?

01:18:51.386 --> 01:18:52.206

Joshua: Wait, was he?

01:18:53.186 --> 01:18:54.126

Diego: Heck yeah, he was.

01:18:54.226 --> 01:18:55.226

Diego: Remember Stardust?

01:18:55.706 --> 01:18:57.106

Joshua: Yeah, that's who I thought he was.

01:18:57.686 --> 01:18:58.886

Joshua: Both of them are Dusts.

01:19:00.626 --> 01:19:05.806

Diego: And so like the interesting thing, which by the way comes from Dusty Rhodes, their dad.

01:19:07.186 --> 01:19:07.486

Joshua: Oh.

01:19:07.506 --> 01:19:09.166

Diego: Gold Dust, Stardust.

01:19:10.826 --> 01:19:11.086

Joshua: Oh.

01:19:11.666 --> 01:19:12.286

Diego: It's crazy.

01:19:13.546 --> 01:19:24.086

Diego: And so like, yeah, so Cody Rhodes, the younger brother of Dustin Rhodes and the youngest son of Dusty Rhodes, you know, he grows up and he gets into the business as well.

01:19:24.486 --> 01:19:29.706

Diego: Within the WWE, he's like, he doesn't like what's being done for his character and stuff.

01:19:29.726 --> 01:19:30.986

Diego: They turn him into Stardust.

01:19:31.006 --> 01:19:38.086

Diego: He hates that character, and he wants to do his own thing, but they don't let him, and eventually he ends up leaving the WWE.

01:19:38.286 --> 01:19:42.746

Joshua: And he did, didn't he make another thing?

01:19:42.766 --> 01:19:44.286

Diego: He did, yeah.

01:19:44.426 --> 01:19:46.546

Diego: He went off and created AEW.

01:19:47.526 --> 01:19:55.046

Diego: All of the wrestling with a few other independent wrestlers, and they made this thing into the top competitor for the WWE.

01:19:55.066 --> 01:20:01.206

Diego: Like, they did an incredible job, but the craziest thing is he returned to the WWE recently.

01:20:01.226 --> 01:20:01.726

Joshua: Wait, really?

01:20:04.266 --> 01:20:22.746

Diego: Yes, and he proved himself to such a degree that he was able to require a contract where he could retain his name, the exact same branding, in-ring name, entrance music, everything is his, and the WWE can't touch it.

01:20:22.766 --> 01:20:24.786

Diego: And when he leaves the WWE, they can't retain it.

01:20:25.086 --> 01:20:26.366

Joshua: So who is he?

01:20:26.386 --> 01:20:27.626

Joshua: Is he just going to be Cody Rhodes?

01:20:27.666 --> 01:20:28.586

Diego: He's Cody Rhodes.

01:20:28.606 --> 01:20:38.306

Diego: He's been known as Cody for the longest time in the independent circle, and he created a persona for himself, which was the American nightmare.

01:20:38.706 --> 01:20:41.306

Diego: His dad, Dusty Rhodes, was the American dream.

01:20:41.766 --> 01:20:42.526

Joshua: That's so cool.

01:20:42.946 --> 01:20:44.226

Diego: So cool, man.

01:20:44.306 --> 01:20:46.106

Diego: I freaking love what he did with that.

01:20:47.746 --> 01:20:59.026

Diego: And then also when he let, when Dustin Rhodes, Goldust, when he left the WWE finally, he went and joined Cody in AW.

01:20:59.486 --> 01:21:04.806

Diego: And they had this little, this rivalry that concluded in a match that was like no holds barred.

01:21:05.406 --> 01:21:07.866

Diego: These two got themselves bloody, bro.

01:21:08.486 --> 01:21:10.746

Diego: Like crazy bloody.

01:21:10.766 --> 01:21:16.006

Diego: And at the end, like it was this emotional embrace between these two brothers, because they didn't grow up together, remember?

01:21:16.386 --> 01:21:18.886

Diego: So there was like this bit of friction there.

01:21:19.766 --> 01:21:36.486

Diego: And, but it's, to me, it's incredible how these two guys have like paid homage to their father and carried on their father's legacy without having the most amount of help from WWE to do it, you know?

01:21:37.146 --> 01:21:47.326

Diego: Like his ring entrance song, Cody's, starts off with there's more than one, what is it?

01:21:47.386 --> 01:21:50.386

Diego: There's more than one royal family in wrestling, something like that.

01:21:52.346 --> 01:22:00.246

Diego: Talking about like how the Rhodes family is a powerful name in wrestling and hasn't been really recognized like it should have.

01:22:00.806 --> 01:22:05.766

Diego: But let's talk about the reason why the last stop here in the wrestling list is the McMahons.

01:22:07.386 --> 01:22:11.006

Diego: And the McMahons are by far the most recognized family in wrestling.

01:22:11.626 --> 01:22:17.086

Diego: And it's of course because Vince McMahon, the guy who made...

01:22:17.106 --> 01:22:18.306

Joshua: Created WWF.

01:22:18.306 --> 01:22:21.166

Diego: Not created, his father, Vince McMahon Sr.

01:22:21.186 --> 01:22:21.826

Diego: created it.

01:22:22.206 --> 01:22:22.566

Joshua: Wait.

01:22:23.886 --> 01:22:26.086

Diego: Vince McMahon's father is the one that created it.

01:22:26.426 --> 01:22:36.546

Diego: But when he inherited it, he started buying off smaller wrestling promotions and really turned the WWF back then into what it was and involved it into the WWE.

01:22:37.506 --> 01:22:42.706

Diego: And so he got his son Shane and his daughter Stephanie involved in the whole thing and they held positions.

01:22:44.826 --> 01:22:55.526

Diego: And so like undoubtedly, the McMahons are like the most powerful family in wrestling, both behind the screen and kayfabe, because he has made himself into a kayfabe character, McMahon.

01:22:56.006 --> 01:22:57.506

Joshua: Wasn't he a wrestler?

01:22:57.526 --> 01:22:58.726

Diego: Oh, he got in the ring.

01:22:58.746 --> 01:23:00.066

Diego: Yeah, he wrestled plenty of times.

01:23:00.086 --> 01:23:05.866

Diego: He wasn't a wrestler, but he got himself into shape and learned and also that he could fight Steve Austin.

01:23:06.086 --> 01:23:07.086

Joshua: Oh, he fought Steve Austin?

01:23:07.106 --> 01:23:10.726

Diego: Stone Cold, yeah, during their heyday of their feud.

01:23:11.826 --> 01:23:20.726

Diego: So anyway, yeah, just like as far as fathers, McMahon as a father is like the wicked, you know, father kind of figure.

01:23:20.986 --> 01:23:21.766

Joshua: Yeah.

01:23:22.046 --> 01:23:27.166

Diego: Terrible, terrible father figure within the fictionalized world of wrestling.

01:23:27.186 --> 01:23:29.466

Diego: But man, such an important figure at the same time.

01:23:29.766 --> 01:23:31.466

Diego: And there's a lot of drama happening right now.

01:23:31.546 --> 01:23:34.146

Diego: He's under investigation for misconduct.

01:23:34.166 --> 01:23:34.906

Joshua: In real life?

01:23:35.166 --> 01:23:35.566

Diego: Oh, yeah.

01:23:36.066 --> 01:23:38.826

Diego: Yeah, Stephanie is assuming the role of CEO right now.

01:23:38.846 --> 01:23:39.246

Joshua: Really?

01:23:39.446 --> 01:23:39.766

Diego: Yeah.

01:23:39.866 --> 01:23:42.806

Diego: So apparently behind the scenes, he wasn't that great a dad either.

01:23:43.026 --> 01:23:43.546

Joshua: Oh, dang.

01:23:43.886 --> 01:23:45.586

Diego: Yeah, we'll see what that ends up.

01:23:45.606 --> 01:23:47.066

Diego: But anyway, that's it for the wrestling list.

01:23:47.086 --> 01:23:49.706

Diego: And we have one more list to tackle.

01:23:49.946 --> 01:23:52.746

Diego: Seven father figure relationships.

01:23:53.646 --> 01:23:55.166

Diego: This is from the world of games.

01:23:55.806 --> 01:23:56.206

Joshua: Yes.

01:23:56.266 --> 01:23:57.126

Diego: Get that first one.

01:23:58.126 --> 01:24:01.426

Joshua: Well, obviously, we can definitely both tackle this first one.

01:24:01.526 --> 01:24:02.246

Diego: We can, yes.

01:24:02.626 --> 01:24:10.006

Joshua: Joel and Ellie, one of the best, from one of the best zombie stories I think I've ever seen in one of the best game.

01:24:10.026 --> 01:24:10.166

Joshua: What?

01:24:10.186 --> 01:24:12.046

Joshua: Yeah, one of the best video games ever.

01:24:12.186 --> 01:24:12.706

Diego: For sure.

01:24:13.266 --> 01:24:13.686

Joshua: Okay.

01:24:13.906 --> 01:24:14.906

Joshua: The last of us.

01:24:15.066 --> 01:24:16.826

Joshua: This is an amazing game.

01:24:16.866 --> 01:24:18.086

Diego: Yes, really.

01:24:18.106 --> 01:24:23.866

Joshua: So Joel and Ellie's relationship is also just more chef's kiss.

01:24:24.046 --> 01:24:24.386

Diego: Yeah.

01:24:24.686 --> 01:24:25.146

Diego: So great.

01:24:25.166 --> 01:24:26.446

Diego: Also because of how it begins, right?

01:24:26.466 --> 01:24:28.886

Diego: Where Joel loses his real daughter, his biological daughter.

01:24:29.306 --> 01:24:30.486

Joshua: That prologue, bro.

01:24:30.786 --> 01:24:31.206

Diego: Yeah.

01:24:31.306 --> 01:24:33.846

Diego: That prologue is so amazing, man.

01:24:34.406 --> 01:24:36.886

Diego: And the fact that they let you play a little bit through it, you know?

01:24:36.906 --> 01:24:37.246

Joshua: Yeah.

01:24:37.286 --> 01:24:38.966

Diego: Like, just you feel that intensity.

01:24:39.586 --> 01:24:43.006

Diego: And then comes the apocalypse, right?

01:24:43.066 --> 01:24:51.706

Diego: And so, like, who would ever think for Joel, you know, how would he ever think that he could find that kind of connection again?

01:24:51.906 --> 01:24:52.306

Joshua: Yeah.

01:24:52.886 --> 01:24:53.466

Diego: But he does.

01:24:54.026 --> 01:24:54.406

Joshua: Mm-hmm.

01:24:54.666 --> 01:24:55.686

Joshua: With Ellie.

01:24:55.886 --> 01:24:56.226

Joshua: Yeah.

01:24:56.506 --> 01:25:05.126

Joshua: And he starts off being like, oh, there's like, I have to smuggle this kid across America.

01:25:05.146 --> 01:25:06.146

Joshua: Like, oh, heck no.

01:25:06.546 --> 01:25:09.346

Diego: You know, it's actually very much like a Mando Grogu type thing.

01:25:09.646 --> 01:25:10.146

Joshua: Yeah.

01:25:10.166 --> 01:25:17.686

Diego: Where little by little, like, his heart is softened, and he becomes open, and he kind of adopts this girl, you know, as his own, almost.

01:25:17.966 --> 01:25:32.566

Joshua: Until, like, literally, no spoilers, in The Last of Us 2, when Ellie is, like, getting attacked by one of those big zombies, the bloaters, Joel literally, he literally, like, shreds it to pieces with the machete.

01:25:33.006 --> 01:25:33.946

Joshua: Just to save her.

01:25:34.166 --> 01:25:34.726

Diego: That's awesome.

01:25:34.746 --> 01:25:37.366

Joshua: Like, she, like, he loves her a lot at the end of this game.

01:25:37.386 --> 01:25:38.606

Diego: That's so sweet, man.

01:25:39.766 --> 01:25:41.006

Diego: Yeah, what a great story.

01:25:41.066 --> 01:25:41.626

Diego: So great.

01:25:42.246 --> 01:25:46.686

Diego: The next one is someone, one from your picky.

01:25:46.706 --> 01:25:47.086

Diego: Who is this?

01:25:47.386 --> 01:25:48.126

Joshua: Yeah, so it's...

01:25:48.146 --> 01:25:48.966

Joshua: Dutch and Arthur?

01:25:49.206 --> 01:25:52.786

Joshua: Dutch and Arthur in the Red Dead Redemption 2.

01:25:52.806 --> 01:25:54.106

Diego: Oh, yeah, that's right.

01:25:54.186 --> 01:25:54.566

Joshua: Yeah.

01:25:55.126 --> 01:26:05.866

Joshua: So, Dutch is kind of a father figure to John Marston, the main character of the first game as well.

01:26:05.886 --> 01:26:08.606

Joshua: But he was definitely a lot of a father figure to both of them.

01:26:09.686 --> 01:26:12.966

Joshua: He found both of them as kids, and he raised them.

01:26:13.786 --> 01:26:24.866

Joshua: Like, he taught Arthur how to read, he taught him how to write, he taught him how to fight, he taught him how to do everything that makes him a good member of the Vanderling gang.

01:26:25.186 --> 01:26:30.766

Joshua: And the same thing with John, although Dutch didn't teach John how to swim.

01:26:30.786 --> 01:26:35.126

Joshua: And so in the original Red Dead Game, if you fall into water, you do die.

01:26:36.146 --> 01:26:40.206

Joshua: Which is just kind of an excuse for not adding swimming animations.

01:26:40.406 --> 01:26:41.246

Joshua: Right.

01:26:42.586 --> 01:26:46.366

Joshua: But yeah, I feel like he was definitely not a good father figure at all.

01:26:47.126 --> 01:26:53.246

Diego: You know what, that whole description that you just gave actually made me think of an honorable mention that should have been in the movies category for me, but I forgot.

01:26:53.766 --> 01:26:54.786

Diego: Shame on me for forgetting.

01:26:54.806 --> 01:26:56.366

Diego: Remind me to tell you at the end of this list.

01:26:57.826 --> 01:27:00.946

Diego: All right, the next two come from the world of Mortal Kombat.

01:27:00.966 --> 01:27:13.066

Diego: Yeah, it's interesting that Mortal Kombat has been going on for long enough that these kids, and they haven't done a particularly good job of like keeping a story in continuity.

01:27:13.086 --> 01:27:15.706

Diego: You know, they, I mean, mind you, it's a fighting game.

01:27:16.186 --> 01:27:21.066

Diego: I feel like you got to give them props for even evolving into having interesting stories as a fighting game.

01:27:21.206 --> 01:27:21.466

Joshua: Yeah.

01:27:22.046 --> 01:27:27.206

Diego: And you could almost argue that they were pretty much the first ones to do it, Mortal Kombat.

01:27:27.226 --> 01:27:27.746

Joshua: Yeah, yeah.

01:27:28.286 --> 01:27:32.726

Diego: And each game has given us like a more involved story.

01:27:33.226 --> 01:27:38.906

Diego: And so like the latest one, I think, is where they introduced these second generation kids characters.

01:27:38.906 --> 01:27:41.126

Joshua: I think Cassie Cage was introduced.

01:27:42.726 --> 01:27:44.986

Joshua: Let's see, she was in Mortal Kombat 10.

01:27:46.126 --> 01:27:46.646

Diego: Oh, yeah.

01:27:46.786 --> 01:27:47.926

Diego: So then again in 11.

01:27:48.366 --> 01:27:51.366

Joshua: Yeah, so I was wondering if he was introduced in 10.

01:27:51.386 --> 01:27:52.766

Diego: Yeah, they were introduced in 10.

01:27:53.106 --> 01:27:53.766

Joshua: Yeah, yeah.

01:27:53.886 --> 01:27:55.526

Diego: I was forgetting about Mortal Kombat 11.

01:27:55.546 --> 01:27:58.746

Diego: But yeah, MKX is when they got introduced.

01:27:58.766 --> 01:28:03.306

Diego: And so you had two father child relationships introduced.

01:28:03.406 --> 01:28:08.166

Diego: One of them was Jackie, who was the daughter of Jax.

01:28:08.346 --> 01:28:12.526

Diego: Yeah, very similar kind of fighting style.

01:28:12.586 --> 01:28:13.366

Diego: Metal arms.

01:28:13.386 --> 01:28:15.286

Joshua: Kind of like brute force.

01:28:15.306 --> 01:28:20.326

Diego: Yeah, which is really cool, because that's always been kind of a unique thing to Jax.

01:28:20.506 --> 01:28:20.926

Joshua: Yeah.

01:28:20.946 --> 01:28:23.666

Diego: So it's pretty cool to have someone else and for it to be his daughter.

01:28:24.026 --> 01:28:29.886

Diego: And as you're playing the whole game, it's a really interesting storyline, you know, and you get them involved and all that.

01:28:30.646 --> 01:28:36.446

Diego: And then on the other end, you have Johnny Cage and Sonya Blade, who end up having this daughter called...

01:28:36.466 --> 01:28:36.906

Joshua: Cassie.

01:28:36.966 --> 01:28:37.806

Diego: Cassie Cage.

01:28:38.106 --> 01:28:39.666

Joshua: Actually, I like Cassie.

01:28:40.426 --> 01:28:41.666

Joshua: I like her personality.

01:28:41.706 --> 01:28:43.206

Diego: Yeah, she's pretty sassy.

01:28:44.906 --> 01:28:52.726

Joshua: There was that one line where if you put a match with her and Scorpion, she's like, can I say it just once?

01:28:53.086 --> 01:28:56.066

Joshua: And then Scorpion's like, only if you wish to die.

01:28:56.286 --> 01:28:58.266

Joshua: And then she's like, get over here.

01:28:58.446 --> 01:28:58.946

Diego: Really?

01:28:58.946 --> 01:28:59.446

Joshua: Yeah.

01:29:01.006 --> 01:29:05.986

Diego: I love those, like, conditional conversations that they have.

01:29:06.946 --> 01:29:07.706

Diego: Moral comments.

01:29:08.466 --> 01:29:10.966

Diego: It's so great, but also bloody and disgusting.

01:29:10.986 --> 01:29:11.186

Joshua: Yeah.

01:29:11.206 --> 01:29:12.546

Diego: You know, stay away from it.

01:29:12.646 --> 01:29:13.826

Joshua: The X-rays, like...

01:29:14.326 --> 01:29:14.626

Diego: Yeah.

01:29:14.806 --> 01:29:17.066

Diego: Unnecessary violence, but it's so great.

01:29:17.866 --> 01:29:20.346

Diego: Moving on to the world of Assassin's Creed.

01:29:20.826 --> 01:29:21.646

Diego: We've got...

01:29:22.386 --> 01:29:25.506

Joshua: Hatham Kenway and Connor Kenway.

01:29:25.606 --> 01:29:25.966

Diego: Yeah.

01:29:26.746 --> 01:29:30.166

Diego: And I think, I guess, honorable mention should actually be Hatham's father.

01:29:30.346 --> 01:29:33.106

Joshua: Yeah, which is Edward, which you actually play as.

01:29:33.186 --> 01:29:36.406

Joshua: He's one of the main characters in Assassin's Creed Black Flag.

01:29:36.566 --> 01:29:37.266

Joshua: Four, yeah.

01:29:37.366 --> 01:29:38.486

Diego: Yeah.

01:29:38.686 --> 01:29:41.326

Diego: And so this one's interesting, because you have...

01:29:41.526 --> 01:29:46.606

Diego: The first one that were introduced in the order that the games were released was actually Hatham Kenway.

01:29:46.726 --> 01:29:47.086

Joshua: Yeah.

01:29:47.106 --> 01:29:51.886

Diego: So in Assassin's Creed 4, we...

01:29:52.426 --> 01:29:52.726

Diego: 4?

01:29:53.326 --> 01:29:53.786

Diego: Or 3?

01:29:54.766 --> 01:29:55.926

Joshua: Connor is 3.

01:29:56.126 --> 01:29:57.906

Diego: Assassin's Creed, Assassin's Creed 3.

01:29:57.926 --> 01:30:01.986

Diego: I'm sorry, Assassin's Creed, Assassin's Creed 2, Assassin's Creed Brotherhood, Assassin's Creed Revelations.

01:30:02.486 --> 01:30:03.586

Joshua: Assassin's Creed 3.

01:30:03.606 --> 01:30:04.806

Joshua: That one's Connor.

01:30:05.046 --> 01:30:05.986

Diego: So Connor.

01:30:06.006 --> 01:30:10.906

Diego: So in all of the trailers, we're introduced to this really cool assassin, Connor.

01:30:11.486 --> 01:30:14.246

Diego: And he's a Native American assassin.

01:30:14.446 --> 01:30:16.046

Diego: So that already made him look super cool.

01:30:16.066 --> 01:30:17.886

Joshua: He's incredibly brutal.

01:30:17.946 --> 01:30:18.846

Diego: Yeah, he really is.

01:30:19.206 --> 01:30:22.146

Joshua: He's one of the deadliest assassins.

01:30:22.466 --> 01:30:23.406

Diego: But what a great game.

01:30:23.426 --> 01:30:26.066

Diego: That's one of my favorite Assassin's Creed games.

01:30:27.346 --> 01:30:30.226

Diego: But what we don't know is that we're going to get to meet his father.

01:30:30.746 --> 01:30:33.606

Diego: And you start the game playing as his father.

01:30:33.626 --> 01:30:35.146

Joshua: And you're like, oh, this is kind of cool.

01:30:35.166 --> 01:30:36.386

Joshua: Yeah.

01:30:36.666 --> 01:30:41.826

Diego: And you're thinking like, oh, cool, his father is also an assassin, because you're doing like, you know, hit and blade assassinations.

01:30:41.846 --> 01:30:44.186

Joshua: Hit and blade assassinations, like parkour and all that.

01:30:44.666 --> 01:30:47.166

Joshua: And then you get to your objective.

01:30:47.586 --> 01:30:56.426

Joshua: And then someone says something, and they're like, well, welcome back to the Templar Order.

01:30:56.746 --> 01:30:58.026

Joshua: And you're like, hold up.

01:30:59.126 --> 01:31:01.346

Diego: Yeah, what a cool twist, man.

01:31:01.366 --> 01:31:03.486

Diego: And it really does catch you by surprise.

01:31:03.506 --> 01:31:05.206

Diego: I remember that moment.

01:31:05.226 --> 01:31:05.986

Diego: It was so cool.

01:31:06.606 --> 01:31:08.446

Diego: So like, of course, then you start like, what?

01:31:08.466 --> 01:31:12.646

Diego: How is this possible that a Templar would end up being the father of an assassin?

01:31:14.246 --> 01:31:16.206

Diego: And there's a whole long story for that.

01:31:16.226 --> 01:31:18.766

Diego: But yeah, that alone is a pretty cool dynamic.

01:31:18.786 --> 01:31:30.066

Joshua: I feel like my life goal is just getting, I feel like the only thing that I want to really achieve in life is just finding out how to pronounce Connor's original name.

01:31:30.546 --> 01:31:31.386

Diego: Oh, yeah.

01:31:33.546 --> 01:31:33.946

Diego: Oh, man.

01:31:34.026 --> 01:31:34.666

Diego: What is it like?

01:31:34.686 --> 01:31:35.606

Diego: Tocatonton?

01:31:35.626 --> 01:31:37.966

Joshua: It's like Ratetengatum?

01:31:37.986 --> 01:31:38.946

Diego: It's complicated.

01:31:38.966 --> 01:31:40.066

Diego: Yeah, that's a tough one.

01:31:42.186 --> 01:31:51.626

Diego: But yeah, so you've got that, and then later on, they release Black Flag, where you play as Edward Kenway, and he's kind of like a pirate assassin.

01:31:51.786 --> 01:31:52.166

Joshua: Yeah.

01:31:52.186 --> 01:31:58.986

Diego: So it's like, assassin gave birth to a kid who would become a Templar, gave birth to a kid who would become an assassin.

01:31:59.466 --> 01:32:02.786

Joshua: Also, there's really outrageous weapons in Black Flag.

01:32:02.846 --> 01:32:11.026

Joshua: There's pistol swords, which are like swords, but there's pistols kind of in the handle.

01:32:11.526 --> 01:32:15.826

Joshua: So you stab someone with it, and then you shoot, and their body goes flying off with a sword.

01:32:16.506 --> 01:32:17.326

Diego: That's awesome.

01:32:17.346 --> 01:32:17.646

Joshua: Yeah.

01:32:19.186 --> 01:32:19.606

Diego: All right.

01:32:19.686 --> 01:32:27.286

Diego: And then also from the world of video games, the last two are from Five Nights at Freddy's.

01:32:27.306 --> 01:32:28.226

Diego: Five Nights at Freddy's.

01:32:28.246 --> 01:32:29.586

Joshua: Five Nights at Freddy's.

01:32:29.606 --> 01:32:33.006

Diego: You're going to have to take these on, because I don't know who these people are.

01:32:33.386 --> 01:32:33.806

Joshua: Yeah.

01:32:33.846 --> 01:32:38.026

Joshua: So this first one is kind of disturbing.

01:32:38.046 --> 01:32:38.746

Joshua: I'm not going to lie.

01:32:39.266 --> 01:32:44.726

Joshua: William Afton, he is definitely the worst father that I've ever seen in video games.

01:32:46.446 --> 01:32:49.126

Joshua: He was actually a serial killer.

01:32:50.166 --> 01:33:00.826

Joshua: And he basically, what he did is that with the, he was also the co-creator of the Five Nights at Freddy's pizza place.

01:33:01.786 --> 01:33:04.006

Joshua: And like he would kill people in that pizza place.

01:33:04.486 --> 01:33:06.326

Joshua: He would like lure them into the back room and stuff.

01:33:06.646 --> 01:33:12.626

Joshua: But then he would like stuff their bodies into the animatronic suits, and their souls would possess those.

01:33:13.106 --> 01:33:15.826

Diego: Oh, I think I remember you and Cousin Julian telling this.

01:33:15.846 --> 01:33:18.126

Joshua: Yeah, because in the FNAF episode.

01:33:18.146 --> 01:33:18.626

Diego: Yeah.

01:33:18.946 --> 01:33:23.266

Diego: Yeah, go look up our Five Nights at Freddy's episode, and you'll see what we're talking about.

01:33:23.866 --> 01:33:27.626

Joshua: So basically, he had three kids.

01:33:28.186 --> 01:33:36.746

Joshua: One of them was named Michael, one of them was named Elizabeth, and the other kind of unnamed, but the fandom calls him Evan.

01:33:37.706 --> 01:33:50.126

Joshua: And so basically, the whole thing is that Evan, no, Michael, was playing a prank on his brother, Evan, because Evan is kind of scared of the animatronics.

01:33:51.006 --> 01:33:58.486

Joshua: And so he picked up his brother, and he made him kiss Fredbear.

01:33:59.446 --> 01:34:06.066

Joshua: And then Fredbear, he kind of bit his head off.

01:34:07.326 --> 01:34:09.566

Diego: The whole head.

01:34:09.586 --> 01:34:10.786

Joshua: The front part of the head.

01:34:11.466 --> 01:34:12.786

Joshua: His frontal lobe of his brain.

01:34:13.866 --> 01:34:15.186

Joshua: And yeah, he died.

01:34:16.666 --> 01:34:17.106

Diego: Yikes.

01:34:17.406 --> 01:34:24.686

Joshua: So basically, now Michael has this whole guilt and all that, and then also William has this whole guilt, because his son got killed.

01:34:25.346 --> 01:34:30.406

Joshua: And then he finds out that their souls are possessing this thing.

01:34:32.266 --> 01:34:45.666

Joshua: And so also, there's this remnant when a child possesses one of the animatronics, this substance is there where they can give life.

01:34:45.786 --> 01:34:47.166

Joshua: I don't know really how to explain it.

01:34:47.186 --> 01:34:49.426

Joshua: I guess give life is the right term.

01:34:50.006 --> 01:34:55.766

Joshua: And so he uses that substance to do more stuff and more evil plans.

01:34:56.646 --> 01:35:03.466

Joshua: And so basically, what happens is that, long story short, his daughter also...

01:35:04.406 --> 01:35:06.046

Diego: You're walking us through the whole video game here.

01:35:06.226 --> 01:35:09.926

Joshua: Okay, his daughter also dies and takes control of another robot.

01:35:10.766 --> 01:35:13.586

Joshua: And then his son tries to free his daughter.

01:35:13.606 --> 01:35:17.426

Joshua: His son tries to free his sister.

01:35:18.226 --> 01:35:22.946

Joshua: And he kind of fails and he gets scooped and an animatronic takes control of his body.

01:35:23.386 --> 01:35:26.166

Diego: Yeah, that's the part I remember you and Julian talking about.

01:35:26.186 --> 01:35:26.586

Joshua: Yeah.

01:35:26.686 --> 01:35:28.806

Diego: He ends up getting like trapped basically in one one.

01:35:29.726 --> 01:35:34.306

Joshua: And then, yeah, he ends up kind of becoming like a walking zombie, kind of.

01:35:34.986 --> 01:35:37.246

Joshua: And so, yeah, William Afton...

01:35:37.506 --> 01:35:39.566

Joshua: I wouldn't say that he's the best father.

01:35:39.806 --> 01:35:40.466

Diego: Probably not.

01:35:41.246 --> 01:35:41.666

Joshua: Yeah.

01:35:41.946 --> 01:35:42.646

Diego: Probably not.

01:35:43.266 --> 01:35:46.026

Diego: And then the last one is also for Five Nights at Freddy's.

01:35:46.026 --> 01:35:47.946

Diego: Glamrock, Freddy and Gregory.

01:35:47.966 --> 01:35:48.546

Diego: What's that about?

01:35:48.706 --> 01:35:51.026

Joshua: Okay, some people might disagree with me here.

01:35:51.186 --> 01:35:51.486

Diego: Okay.

01:35:51.746 --> 01:36:01.866

Joshua: But Gregory, he's like a kind of a child, like a runaway child who gets stranded in like the mega-pizza plagues, is what they call it.

01:36:02.186 --> 01:36:03.786

Joshua: It's just like a really big mall.

01:36:03.806 --> 01:36:05.486

Diego: Oh, this is from the latest game, right?

01:36:05.546 --> 01:36:06.526

Joshua: Yeah, Security Breach.

01:36:07.326 --> 01:36:11.226

Joshua: And it's like a really big mall run by the Five Nights at Freddy's company.

01:36:12.746 --> 01:36:13.246

Joshua: Yeah.

01:36:13.286 --> 01:36:15.706

Joshua: Yeah, Fazbear's Pizza thing.

01:36:16.286 --> 01:36:25.346

Joshua: And so basically, Glamrock Freddy finds Gregory, and he's like the only animatronic.

01:36:25.366 --> 01:36:27.846

Joshua: He's like, oh, hi, where did you come from?

01:36:28.686 --> 01:36:32.446

Joshua: He doesn't immediately want to bite the frontal lobe of his brain off.

01:36:33.326 --> 01:36:40.586

Joshua: And so, yeah, they become really good friends, and Freddy is kind of like mentoring Gregory through this whole thing.

01:36:40.606 --> 01:36:48.406

Joshua: And yeah, and then they like, they foil this evil plan that like a bunny lady in a costume was making.

01:36:48.766 --> 01:36:50.026

Joshua: It's a long story.

01:36:50.906 --> 01:36:51.626

Joshua: But yes.

01:36:51.666 --> 01:36:54.046

Diego: So it's really like a father figure type relationship?

01:36:54.986 --> 01:36:57.746

Joshua: It becomes one near the end of the game, kind of.

01:36:58.166 --> 01:36:58.986

Joshua: At least to me.

01:36:59.606 --> 01:37:00.126

Diego: Interesting.

01:37:00.786 --> 01:37:07.626

Diego: Well, my honorable mention is actually from what is basically my favorite movie of all time, and that's the...

01:37:08.406 --> 01:37:09.826

Diego: Yeah, Count Amount of Crystal.

01:37:10.246 --> 01:37:11.106

Diego: There's a...

01:37:12.226 --> 01:37:20.686

Diego: Through a whole series of crazy events, the main character Desmond ends up getting trapped in this place called Chateau d'If, which is like this...

01:37:22.066 --> 01:37:22.506

Diego: Very...

01:37:22.966 --> 01:37:23.206

Diego: No.

01:37:23.526 --> 01:37:30.946

Diego: Which is this very deserted, rocky island that all it has is a prison, and that's the prison that they send them to.

01:37:31.486 --> 01:37:33.806

Diego: And that's a prison that you send people to basically to die.

01:37:35.326 --> 01:37:52.386

Diego: And he's in there, he's inside of this rock, you know, stone cell for years, and eventually one day out of the ground pops up this old man who's a priest.

01:37:52.646 --> 01:37:54.186

Joshua: Wait, out of the ground?

01:37:54.246 --> 01:37:54.626

Diego: Yeah.

01:37:55.086 --> 01:37:58.666

Diego: Turns out that the old man has been like digging to try to escape from the prison.

01:37:59.506 --> 01:38:03.186

Diego: He's been digging for years, and he ended up going in the wrong direction.

01:38:03.306 --> 01:38:07.846

Joshua: Did he ever go back up through the hole to get food?

01:38:08.466 --> 01:38:09.406

Diego: Oh, yeah, of course.

01:38:10.086 --> 01:38:16.326

Diego: He would dig for several hours a day, and then he would go back into his cell right in time to get the meal that they would give him.

01:38:17.266 --> 01:38:25.386

Diego: And so he's all frustrated because he realizes that he just ended up in another prison or cell.

01:38:25.926 --> 01:38:31.486

Diego: But that ended up being one of the most important things that could ever happen to Desmond, the main character.

01:38:32.426 --> 01:38:40.286

Diego: Because this priest, he told him, if you help me dig in the right direction, I will teach you anything you want.

01:38:40.306 --> 01:38:44.426

Diego: Because this priest was very knowledgeable about all sorts of stuff.

01:38:44.586 --> 01:38:49.366

Joshua: Yeah, and you told me he teaches him different fighting techniques.

01:38:49.386 --> 01:38:51.746

Diego: He teaches him to read and write, first of all.

01:38:52.146 --> 01:38:53.266

Joshua: How old was this guy?

01:38:53.546 --> 01:38:54.386

Diego: The priest?

01:38:54.606 --> 01:38:55.686

Joshua: No, the main character.

01:38:55.686 --> 01:38:56.186

Diego: Desmond?

01:38:57.946 --> 01:39:01.106

Diego: He must have been in his 20s when he got imprisoned.

01:39:01.706 --> 01:39:02.606

Diego: Like early 20s.

01:39:03.306 --> 01:39:06.306

Diego: But he grew up kind of like a peasant, in a way.

01:39:06.886 --> 01:39:07.666

Diego: Very low class.

01:39:07.746 --> 01:39:10.946

Diego: And so that class didn't learn to read and write.

01:39:12.166 --> 01:39:14.086

Diego: So yeah, this man, he teaches him.

01:39:14.106 --> 01:39:15.746

Diego: He's telling him, I'll teach you anything.

01:39:15.766 --> 01:39:17.606

Diego: I'll teach you mathematics, economics.

01:39:17.626 --> 01:39:19.106

Diego: I'll teach you philosophy.

01:39:19.126 --> 01:39:20.166

Diego: I'll teach you this or that.

01:39:20.186 --> 01:39:21.846

Diego: And he was like, will you teach me to read and write?

01:39:22.426 --> 01:39:25.526

Diego: And the priest is like, oh, my dear boy, of course.

01:39:25.546 --> 01:39:26.586

Diego: I'll teach you to read and write.

01:39:26.886 --> 01:39:28.846

Diego: So he teaches him a whole bunch of stuff.

01:39:28.866 --> 01:39:31.066

Diego: And they spent a long time together.

01:39:32.366 --> 01:39:34.386

Diego: They have no one else, literally.

01:39:34.786 --> 01:39:41.866

Diego: And so very much, they end up developing this kind of father figure relationship.

01:39:41.886 --> 01:39:45.086

Diego: This is by far the closest thing that he's ever had to a father.

01:39:45.486 --> 01:39:47.706

Diego: And this man completely transforms his life.

01:39:47.726 --> 01:39:50.766

Diego: So, yeah, great, great character.

01:39:50.786 --> 01:39:52.846

Diego: One of my favorite characters in the entire story.

01:39:53.406 --> 01:39:56.106

Diego: And the priest from the Count of Monte Cristo.

01:39:56.126 --> 01:39:57.846

Diego: So that is my honorable mention.

01:39:57.866 --> 01:39:59.846

Diego: And that brings us to the end of our list.

01:40:00.246 --> 01:40:01.886

Diego: This was a chonky list, man.

01:40:02.166 --> 01:40:03.506

Joshua: How long is this episode?

01:40:03.646 --> 01:40:05.746

Diego: This episode is like an hour and something long.

01:40:05.966 --> 01:40:08.866

Diego: Yeah, it's chonky, chonky, chonky, chonky.

01:40:09.286 --> 01:40:13.046

Diego: So many fathers and father figures out there within the world of fiction.

01:40:13.086 --> 01:40:14.326

Diego: Some are awesome.

01:40:14.866 --> 01:40:16.566

Diego: Some are terrible.

01:40:16.586 --> 01:40:17.806

Joshua: Straight evil.

01:40:17.866 --> 01:40:20.246

Diego: Yeah, like some should never have been fathers.

01:40:20.266 --> 01:40:21.286

Joshua: Children murderers.

01:40:21.466 --> 01:40:22.206

Diego: Absolutely.

01:40:23.186 --> 01:40:27.346

Diego: But man, just like in real life, we got a whole spectrum of fathers out there.

01:40:27.366 --> 01:40:31.026

Diego: And if you're a father out there, try to be a hero to your children.

01:40:31.046 --> 01:40:33.326

Joshua: You would definitely be the awesome father.

01:40:33.546 --> 01:40:34.086

Diego: Thank you, man.

01:40:34.106 --> 01:40:35.566

Diego: Give me high five, bro.

01:40:35.926 --> 01:40:37.346

Diego: I didn't pay him to say that, by the way.

01:40:37.886 --> 01:40:38.326

Joshua: He didn't.

01:40:44.506 --> 01:40:50.840

Diego: Pa pa, pa pa.

01:42:03.580 --> 01:42:06.280

Diego: That's what Grogu would sound like if he said, okay, bye.

01:42:06.300 --> 01:42:06.400

Joshua: Bye.
